Aleksander Ginko – Arts

Hello everyone, my name is Aleksander Ginko, and I am running to be your representative for the College of Arts on the CSA Board of Directors. During my time at the University of Guelph, I have learned a lot about the school, and the people that make it the great place that it is. It is in this tradition that I am seeking a seat on the CSA Board of Directors, in order to give back to the Guelph community. In government, the principles of democracy, and transparency, are of paramount importance. So if you have any concerns about the way things are going, have a suggestion on the way things ought to be, or maybe just have a question, come talk to me. I will actively listen, and address your inquiry to the best of my ability. I look forward to the possibility of serving you as your representative.
