Comments & General Overview of the 2024-2025 Budget

The 2024-2025 budget was set in consultation with the CSA Finance Committee and has been reviewed by the President, members of the Executive Committee, and assigned budget holders. On April 2, 2024, the Finance Committee reviewed and recommended forward the proposed budget for presentation to, and approval by, the CSA Board of Directors.

The CSA's operating budget is divided into 15 portfolios: each an area of concentration with an assigned budget holder responsible for overseeing expenses and managing the finances. The President is to be knowledgeable of all aspects of the budget, day to day finances and at all times, to take into consideration the long-term financial sustainability of the CSA as a not-for-profit organization. Portfolios are expected to be spent out during the fiscal year (May 1 to April 30). Any net revenue remaining at year end from operations funded by CSA membership fees is transferred into the CSA's Accumulated Surplus. A portion of the surplus is internally restricted to ensure our long term financial viability. However, the balance remaining is available for special projects and initiatives that better provide service to students.

Funds received from the FoodBank, SafeWalk and Media/Entertainment fees have been proportionately allocated per the original referendum questions. Any net revenue at year end from these portfolios or any other budget line funded from these fees, is transferred to dedicated reserve accounts for future use.

The CSA student fee increases annually by the Consumer Price Index (CPI) for Ontario as announced by the University administration in January of every year; the CPI increase for 2024-2025 is 3.8%. CSA fees for full-time undergraduate students will increase from \$21.87 to \$22.70. Similarly, the part time undergraduate fee will increase from \$6.85 to \$7.11. Enrollment is not expected to increase beyond last year's unexpected increase. Total revenue from CSA membership fees is anticipated at \$945,000 for 2024-2025.

The CSA's budget is also dependent on revenue from 'other' sources to fund our operations. This revenue stream has been erratic since January 2019, however, with the detrimental impact of the Student Choice Initiative and COVID-19 behind us, non-student fee revenue continues to recover and is much more stable.

For the third year in a row, our budget is well funded, forward looking, and driven by the [CSA Mandate and Indicators of Success](#). The 2024-2025 budget continues to provide the financial opportunity to amplify our presence on campus and be central to the needs of students. This budget provides funds to increase our ability to engage and promote the CSA, support operational excellence, increase programming, meet our legislative requirements, provide valuable and relevant services, and support the addition of two new full-time positions: CSA Clubs Coordinator and CSA Events Coordinator.

The significant variances to our budget when comparing year-over-year and/or year-to-date figures are a direct result of wage savings from vacancies and a redistribution of service funding.
