Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

# Minutes - February 28, 2024

#### 15.0 Call to Order

The meeting was called to order at 6:27 pm.

# 15.1 Land Acknowledgement

Member Danielle Callaghan delivered the following land acknowledgement:

It is important today before we start this meeting to acknowledge that as we discuss issues and topics related largely to our specific campus community, that we remind ourself of historical struggles and issues that have been endured by the Indigenous peoples of Canada on this land that we now speak, learn and live on; and how each Individual Indigenous group is effected uniquely by the historical legacy, and current reality, of colonialism.

At the University of Guelph, we must commit to the duty that is owed in the name of the Dish of the One Spoon Covenant, that we are on the land of the Attawandaron people and the Mississaugas of the Credit; and we should also be mindful of our Anishinaabe, Haudenosaunee, and Métis neighbours.

The Indigenous peoples are the original teachers of Canada; and as settlers we must remind ourselves how for decades we have robbed the peoples of their ability to teach, and to pass on their ways of life on their land without fear or harm as a result of state intervention; the same state that built the walls of this institution that we now speak in. We should strive to make bigger commitments to the goal of reconciliation, and ask ourselves what is truly being done to put the peoples of Canada in a better place than we have put them in. Indigenous voices need and deserved to be heard, because just one or a few can't represent the diversity of our people, and then we must remember that listening to our original teachers and reacting is most important action we can take.

#### 15.7.1 President

It has been a busy month in finalizing Executive portfolios and miscellaneous job descriptions.

Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

The President attended Lobby Week with the Executives and Member Broughton. We got good MPPs, and they promise to connect us with the federal government to stop the cuts of universities in Ontario and support students.

The President did a presentation for the Board of Governors.

Reviewed several SLEF applications and provided recommendations on what to accept and reject.

The President is also on working on the Fall Reading Referendum.

# 15.7.2 VP Student Experience

The Club's office has finally started to wrap up accreditation after sorting out a few details for clubs with outstanding accreditation requirements. At this point, all clubs either have their documentation in and are accredited or they have been notified that they will need to reapply for next semester.

The Clubs Event Coordinator has been working hard to plan Club Hub for the Winter 2024 semester. This event is intended to celebrate CSA clubs for their hard work this year, and to encourage networking and collaborative event planning amongst clubs. Clubs will have the opportunity to win monetary prizes to fund their club's events; additionally, there will be free food and lots of opportunity to mingle with other student leaders! This event is planned to be at the Bullring in the evening on Monday, March 18.

VP Student Experience has been editing the Clubs Office operations manual. The Clubs Coordinator and McKenna will be working hard to develop this manual to comprehensively support the incoming full-time Clubs Coordinator.

The Last Toast is a tradition started by the CSA in 2016, in which we come together for a meal with friends, listen to wise words from our guest speakers, and toast to the graduating class! VP Student Experience has been eagerly planning, especially in consideration that this will be the first year in a few now that COVID and social distancing is no longer a concern. She notes that the space and food booked, glasses ordered, and promotional materials designed. Speaker selection will happen in the next week or so once Student Experience chooses a speaker for the Last Lecture. Ticket sales will run from March 6-27 via the CSA Front Office; \$15.00, cash only.

Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

VP Student Experience announced that there will be a semiformal event at the Brass Taps. The theme will be "champagne celebration." Tickets will be \$5.00, also available at the CSA Front Office (cash-only) as of March 6 until the night of the event.

Mckenna Williams has also been working on the menstrual discs initiative which will be advertised in-person and online. They will be running a giveaway both in-person and via Instagram with the goal of distributing 120 products to menstruating undergraduate students. The Instagram giveaway will run from Wednesday, March 20, at noon until Monday, March 25 at 3pm. Similar to most IG giveaways, we will be asking students to like the post, follow @csaguelph, and tag friends in the comments to enter (each tag/comment = 1 entry). The in-person giveaway will run in tandem with the IG giveaway on Monday, March 25, from 11am-3pm by the North elevators in the UC Courtyard.

The Grove X CSA Mental Wellness Breakfast initiative occurred on Monday, February 12, from 8:30am-11:30am near the South elevators in the UC Courtyard. They were able to help give away nearly \$800 of free food and coffee to undergraduate students with the help of the Grove staff.

#### 15.7.3 VP Academic

The nomination deadline for the Teaching Excellence Award is March 1. The VP Academic encourages the board to put a nomination to show support to the initiative. The award ceremony will be held on March 19, 6pm to 8pm at Bullring. The committee will sit once the deadline for nomination passes.

Upcoming Meeting with VPA Byron: He was not able to meet Byron due to being in different time zones but will be discussing the following issues with him shortly.

VP Academic is working on late night study spaces on campus. Prior to COVID-19, the library was open until 2:00am. He is hoping to negotiate 24-hour spaces on-campus. Member Kalra stated that this may be difficult as the bus services are unable to operate late.

He has been working on the clarification of the implementation of AI detectors for professors. There have been many academic misconducts. VP Academic will try to advocate the use of Grammarly.

There is a SHAC Initiative tonight and at the end of March about a 2-hour drop-in event for exam relaxations. We want to create a relaxing space for students before exams with many options like painting, colouring, beading, etc.

Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

# 15.7.4 VP External

The VP External is almost finished counting water fountains on central campus. Since it is not World Water Day yet, she will continue to count more for statistics. She has also been in touch with residence leaders to explore what access to water looks like for students living on campus, not just studying on campus.

Samar Tariq also attended Lobby Week with the Executives and Member Broughton. We got good MPPs, and they promise to connect us with the federal government to stop the cuts of universities in Ontario and support students, organized by MPP Mike Schreiner. He will also come host a meeting that all students are welcome to attend to ensure that admin stops taking advantage of us.

Finalizing the Bike Auction, just waiting for a few more bikes to arrive. The operational manuals for both Bike Centre and FoodBank are going to be on hold for now.

More sustainability and advocacy events will be coming up.

**Motion Carried** 

#### 15.11 Business

# 15.11.1 Declaration of Executive Officer Eligibility

**WHEREAS** CSA Bylaw 1 (Organizational) Section 5.4.2 (b) states that Executive Officers of the CSA must commit to being enrolled in no more than 1.00 credit per semester during their term;

**WHEREAS** registered international students with study permits are required to actively pursue their studies and must maintain a full-time courseload with limited exceptions;

**WHEREAS** violation of a study permit is grounds to be asked to leave Canada, per Canadian Immigration and Refugee Protection Regulations, which can result in needing to leave the country for a period of 6 months before applying for a new study permit, visitor visa, or work permit;

**WHEREAS** the process for removing an Executive Officer, as outlined in CSA Bylaw 1 (Organizational) Section 6.6.1, is unreliable, even in cases of direct violation of CSA bylaws and policies;

WHEREAS the salaries of Executive Officers are funded by student fees;

**WHEREAS** the CSA Membership is entitled to Executive representatives that fulfill all obligations and responsibilities as outlined in CSA Bylaw 1 (Organizational), CSA Appendix A (Executive Portfolios), and the General Elections Executive Candidates' and Nomination Packages;

**WHEREAS** it is detrimental and a high-level risk to the organization to have one or more Executive Officers who do not fulfill their responsibilities to the full extent, due to limited recourse for Executive reprimand or removal currently outlined in the CSA Policy and Bylaw Manual; and

Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

**WHEREAS** this temporary measure will be used to protect the interests of the membership and the needs of the organization until amendments for greater Executive accountability can be established in the CSA Policy & Bylaw Manual.

**BE IT RESOLVED** that the CSA Board of Directors receive the Declaration of Executive Officer Eligibility as information;

**AND FURTHER** that the CSA Board of Directors approve the Declaration of Executive Officer Eligibility and its terms for use in the Winter 2024 General Elections for all Executive candidates, to be enforced during the 2024-2025 academic year, as recommended by the Elections and Referendum Committee.

Moved: Shaima Alam, President

Seconded: Jake Levy

The President explained that if someone is taking more than 1.00 credit, they are not eligible. Usually, international students are required to take more than 1.00 credits. There isn't a proper process outlined in policy for reprimanding an Executive who is not doing their job. The only way to remove an Executive is by having the board unanimously vote for their removal or a referendum. This form is a temporary measure until better processes can be put in place for better accountability for both executives and directors.

VP Student Experience reiterated that they want to ensure that the Executives can balance their work and school schedule while effectively helping students as part of the CSA.

Member Rafe Khan stated that there is some misinformation. International students opt to do full-time studies to receive a post-graduate work permit after their degree. International students can be part-time students, most just choose not to.

Member Broughton asked if it would be out of order to amend the motion to send a part of the motion to PBRC. The Chair clarified that it is in order. The PTC added that the PBRC is already discussing this subject.

**MOTION TO AMEND**: to refer this subject matter to PBRC.

**Moved**: Marcus Aldred-Ganhao **Seconded**: Jonah Greenhut

Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

**AMENDMENT**: to have the PBRC provide recommendations by March 27.

**Moved**: Jonah Greenhut

**Seconded**: Marcus Aldred-Ganhao

#### **Motion Carried**

The PTC clarified that this applies to all executive candidates, not specifically international students. International students can work unlimited hours on campus only if they are a full-time student on that campus, which could create a conflict in relation to the 1 credit requirement.

VP Student Experience wanted to add that folks who can work lots of hours and balance a full-time course load are the exception. We need to protect the student's ability to do well in their studies and the duty of serving the student body.

Executive portfolios were changed in 2017 when the CSA moved from the commissioner model with 5 executives to the president model with 4 executives. This review clarifies and expands upon the roles of each executive. Any passion projects should be related to their role. Furthermore, the President's role was never mentioned for doing outreach, being a spokesperson, and supervising the Executives, it has been updated now.

Carter Sorensen announced that taxes are coming soon. Our organization holds free programs sponsored by the CRA to help students collect tax returns and others in the Guelph community. This is designed for people with modest incomes (\$35,000 per year maximum) to file their return. This service is completely free. Please relay this information to students. There are credits in which you can earn regardless of if you have an income. I have been working with members in the international student organization. Most international students are not making \$35,000 so we can help them. The clinics will be hosted on Saturday, March 23 and Saturday, April 6 in the LANG building from 9:30AM-4:30PM. For any questions after I leave this meeting, please refer them to Member Neiterman.

# Memo

To: Daniel Neiterman
From: Carter Sorensen

cc: Central Student Association

Pate: February 28, 2024
Re: Lang Tax Clinic

#### Purpose

The purpose of this memo is to outline the Lang Tax Clinic, what the event is, who it serves and how it benefits the students at the University of Guelph ("UofG').

#### Background

The government of Canada has a program called the Community Volunteer Income Tax Program ("CVITP"), which is designed to allow communities to offer free income tax services to low-income individuals and families, reducing the barriers to entry for government programs and services, and ensuring that everyone can file their return. To be eligible to go to a CVITP, there are certain income eligibility requirements, and they are as follows:

- 1. Modest income and simple tax situation
- 2. Not more than \$35,000 in employment income for 1 person
- 3. No self-employment income
- 4. No business income or expenses
- 5. No rental income or expenses
- 6. No interest or investment income over \$1,000
- 7. No capital gains or losses
- 8. Did not declare bankruptcy in the tax year or preceding tax year
- 9. Not deceased
- 10. Not more than \$100,000 in foreign property or foreign income\*

More rules about the CVITP can be found here: About free tax clinics - Canada.ca

#### The Lang Tax Clinic

The Accounting Students' Association ("ASA"), previously known as the Accounting Society of Guelph, has operated a CVITP for the students of UofG for the past couple years. Co-ordinated by a director and two managers, the Lang Tax Clinic team collects volunteers to help prepare

Board of Directors Meeting # 15 February 28, 2024 – 6:00 pm UC 442

tax returns for the benefit of their fellow peers. The team is provided with guidance by Professors Sonia Dhaliwal and Sandra Scott. Together, with further assistance by the remaining team members of the ASA, the Lang Tax Clinic prepares over 100 returns each year for the students of UofG.

This year, those leading the team are as follows:

- 1. Carter Sorensen, Director of Tax Clinic
- 2. Ethan Evans, Tax Clinic Manager
- 3. Jonathan Tu, Tax Clinic Manager

This year we are excited to announce that external members of the Guelph community are now eligible to come to this year's clinic. We are also excited to partner with Two Rivers Neighbourhood Group, sending a team our volunteers there to help with their own CVTIP.

#### **Important Dates**

The Lang Tax Clinic will run on two Saturdays:

- 1. Saturday March 23rd, 2024 from 9:00 AM to 4:30 PM
- 2. Saturday April 6th, 2024 from 9:00 AM to 4:30 PM.

#### The Issue

We need students to know about the free tax filing services that we offer. We ask that you please share this amongst your peers and students to ensure that they know we are here to help them during this tax season.

Thank you,

Carter Sorensen
