Board member to raise the issue for clarification, first with the Board member and, if still unresolved, with the Board Chair, an Executive Officer or the HR Support Team.

10.5 No member of the CSA shall personally benefit through gifts as a result of their position on the CSA.

- a) postpone to a particular date; or
- b) refer to a committee; or
- c) approve or disapprove.

12.3 Amendments to the CSA bylaws require a two-thirds majority vote to pass.

12.5 While preparing written notice is strongly encouraged, anyone who presents a verbal notice of motion must submit a written copy of the verbal notice given to the Policy & Transition Coordinator within 48 hours of the notice. The Policy & Transition Coordinator will distribute the written copy to all Directors within 24 hours of receipt. If a written copy is not submitted within 48 hours, the motion must be presented again at the next available meeting of the Board of Directors.

12.6 Bylaw amendments passed by the Board of Directors must be confirmed by the membership at a duly called AGM. Policy & Transition Manager

April 5, 2022

1.0 Bullring Policy

The operation of the Bullring must maintain these principles and reflect them in the function of the Bullring:

1.1 Student Space

The Bullring is student space and above all else, should be accessible to and suitable for students. The Bullring is fundamentally a cafe/student lounge, where activities, events, menus, catering, and the like are centred around this primary function. This principle dictates that, unlike traditional commercial establishments, students should feel free to lounge without purchasing products, and may also bring in their own food. Decisions made about the operation of the Bullring will be made with the priorities of student needs and financial viability.

1.2 Financial Stability

While serving students is the number one priority, the Bullring must be financially self-sufficient. Only under exceptional, unavoidable, and unexpected circumstances should the CSA operating budget be accessed to offset Bullring expenses.

Financial statements are to be reviewed and discussed at every Bullring Operations Committee meeting and made available to the CSA Finance Committee. Decisions regarding pay increases, acceptable profit margins, operational improvements, significant capital expenditures, leasehold improvements, and other financially related matters will be made in conjunction with CSA values, in accordance with Bullring Policy and Terms of Reference, while maintaining independent fiscal responsibility.

Revenue collected above and beyond those allocated given the aforementioned framework at year end (April 30) will be incorporated into the CSA's Unrestricted Net Assets.

The Bullring Operations Committee has the authority to redirect up to \$60,000 in annual net revenue to the Bullring Capital Reserve Fund.

1.3 Accessibility

It is important that the Bullring be accessible to as many people as possible. The layout of the space will always be accessible to individuals with mobility issues. The Bullring shall strive to become more accessible to students by offering a range of food and beverage options.

The Bullring shall offer menu items which are affordable and healthy, as well as vegetarian, vegan, wheat free and gluten free food.

1.4 Ethical Standards

All products must be produced under ethical working conditions. An example of minimum workplace standards may be found in the U of G's Code of Ethical Conduct for Suppliers. Certified organic and fair-trade products will be used whenever possible. The Bullring will take pro-active steps to minimize waste. The Bullring will use re-usable dishware, cups, and utensils wherever possible and will implement a substantial incentive system to promote the use of reusable containers for take out. Disposable materials will be non-toxic and biodegradable where possible.

While every effort should be made to ensure that all Bullring products are as ethical as possible, the financial viability of the Bullring shall not be jeopardized in order to introduce a more ethical product line.

1.5 Accountability

The Bullring is bound by all bylaws, policies, and procedures of the CSA. The Bullring, in all aspects, is ultimately accountable to the CSA Board of Directors and must follow any board motions or directives.

Political decisions or major financial decisions that will impose financial implications on the CSA operating budget, must be approved by the CSA Board under suggestion from the Bullring Operations Committee.

Day-to-day operational decisions will be made at the committee level and must be recorded in detailed meeting notes. At a minimum, the President will present a written report once per semester to the Board. The report will include up-to-date information regarding Bullring finances.

1.6 Programming

Programming decisions regarding internal (CSA operations) or external (other campus groups, or community members) use of the facility will be primarily made by the Bullring General Manager.

Large scale and/or recurring bookings scheduled outside regular hours must be approved by the Bullring Operations Committee prior to confirmation. The Committee will conduct an annual review of the programming goals for the year to ensure the values of the space are being maintained.

Events which would normally require external security personnel, such as dances, licensed student events and the like will not be permitted at the Bullring, unless approved by the Bullring General Manager on a case-by-case basis. All groups, internal or external can lose their booking privileges based on previous event concerns. The decision to revoke or reinstate booking privileges will be made by the Bullring Operations Committee, as are the terms of reinstatement. Revocation of booking privileges will be temporary and reinstated as scheduled by a timeline determined by the Bullring Operations Committee in its decision to revoke booking privileges.

2.0 theCannon.ca Policy

- 2.1** TheCannon.ca is a website jointly owned by the CSA and the Guelph Campus Co-op. This operation is bound by a Partnership Agreement signed by both parties in August 2003 and where this policy manual and the Partnership Agreement differ, the Partnership Agreement shall take precedence.
- 2.2** This Policy outlines the responsibilities of the CSA within this Partnership Agreement. It is the responsibility of the President and Vice President, Student Experience to ensure this policy and the Partnership Agreement are upheld.
- 2.3** All regular activities of the Website shall be overseen by theCannon.ca Operating Committee. The responsibilities of the Operating Committee shall be listed in a Terms of Reference for the Committee and in the Partnership Agreement

3.1.11 If the university refuses to cover the refunds beyond the limit, the CSA will endeavour to raise the funds to cover the cost.

3.2 Bus Pass Opt-In Policy

3.2.1 Under the memorandum of agreement between the City of Guelph and the Central Student Association for the purpose of providing students with a universal bus pass, up to 30 students not currently taking courses may “opt in” during the spring semester.

3.2.6 The Vice President, External shall meet with the Business Manager as soon as possible after the end of the application period to select the students who may opt in.

3.2.7 If more than 30 students apply to opt in, the CSA will advocate to the City of Guelph for an increase in the number of available passes.

3.2.8 Applicants for the summer semester passes shall only be accepted if they meet the following criteria:

- a) Applicant must be an ongoing undergraduate student at the University of Guelph and must be registered for courses or a co-op work term in the fall semester.
- b) Applicant must not be able to obtain a pass through regular channels (i.e., be taking DE or in-class courses or be on a co-op work term).

- d) Applicant must not be residing outside of Guelph for more than four (4) consecutive weeks out of the summer.

3.2.9 Where a group of applicants are considered equal, the committee shall conduct a random draw of students who will opt into the bus pass for the spring semester.

3.3 Bus Pass Misuse Policy

The Central Student Association (CSA) recognizes that, while the majority of students use their universal bus pass (herein referred to as “pass”) appropriately, some students choose to engage in misuse. This policy reflects the need to deal with these situations in an appropriate and consistent manner.

3.3.1 Overview

- a) **Definition of Misuse:** The deliberate use of a pass such that an illegitimate pass is used or the pass is used by someone other than the specific owner. This can include, but is not limited to, the direct or indirect transfer of a pass from the rightful holder to another and its subsequent use, or the copying of a pass through photocopying or any other means (except as sanctioned by the Registrar’s Office). This definition applies equally to those who otherwise rightfully possess a pass and those who do not.
- b) **Additional Passes:** It shall not be determined misuse if an individual uses a replacement pass legitimately obtained from the Registrar’s Office in lieu of a lost or stolen pass. However, the use of passes obtained from the Registrar’s Office through a deliberate misleading of University staff shall be deemed misuse.

3.3.2 Enforcement

- a) Enforcement of the misuse policy shall fall primarily upon the staff of Guelph Transit. They shall monitor the passes at the point of use to ensure that the passes are not being misused.
- b) If a staff member of Guelph Transit has reason to suspect a pass as being misused, he or she may confiscate the pass and student card of the individual.

- c) Subsequent to action as outlined in section 3.3.2.2, if the CSA discovers that the case is a wrongful allegation of misuse, the CSA will waive the replacement fee. If the allegations turn out to be correct, the CSA will charge for the replacement of the bus pass.

3.4 Fees

Students who seek to replace their bus pass without the original sticker will be charged a replacement fee. The price of this replacement fee and the allocation of the proceeds shall be determined by the Transit Committee.

people, persons with disabilities and international students.

- 4.5** When hiring new employees, the emphasis should be to view the position as one in which specific experience can be gained.
- 4.6** Internal CSA applicants will be considered equally with other applicants and will take priority only if they and the other applicant appear to be equal in

qualifications, as an internal candidate's prior knowledge of and experience with the CSA are legitimate factors in selecting a candidate.

- 4.11** If an applicant has an issue with the hiring process under this policy, they may file a complaint under the Complaint Resolution and Grievance Procedure, Policy 13.0. Any grievance filed by an unsuccessful candidate must be submitted to the President within seven days of receipt of notification that they were not hired.

out their responsibilities.

- 5.6** The Human Resources & Services Manager and President will designate one training day each semester. All staff members must attend the training day which is closest to their contract start date. This day will be held within the first three weeks of the fall semester. This training day will include an anti-oppression workshop, a student risk management workshop, a Business Office workshop, a Front Office workshop and any other training sessions as deemed necessary by the Executive. This training day will be developed during the summer, and incoming staff will be notified of each training day at least one month in advance.

6.0 Contracts and Personal Records

- 6.1** Every staff member shall have a personal records file maintained for them. There shall be only one file per employee which shall be held by the ~~Human Resources & Services Manager~~ and/or Policy & Transition Coordinator. These files shall only be used for the legitimate purposes relating to employment, such as performance evaluation, pay increases, disciplinary action, contract renewal or rehiring, and may only be viewed by the employee, Human Resources & Services Manager or confidentially by members of specially appointed Board of Directors Committees. Files shall be kept in a secure place and updated when necessary.

- 6.4** Employees' personal records shall be kept confidentially by the CSA for a term of five years after the employment ends, and then destroyed.

7.0 Amendments to Staff Contracts

From time to time, the CSA may find the need to amend a staff contract after an individual has been hired for a position. Any aspects may be amended as necessary, whether it is the date of employment, change in hours, rate of pay, job description, etc.

It is recognized that a person's employment is part of their livelihood, and changes to their employment should be handled with expediency, and with the proper consultation.

- 7.1** Amendments to a staff contract must be handled via the following procedure:

7.1.1 A meeting is to be set up between a staff member and an Executive supervisor and may be called by either individual. This meeting shall be to draft a proposal for what changes should be made to the staff member's contract. If necessary, more than one meeting may be set up.

7.1.2 The supervisor will set up a meeting with his/herself, the staff member and the Human Resources & Services Manager. At this time, the proposal agreed upon by the staff and supervisor shall be presented to the Human Resources & Services Manager, who will then ask any questions necessary.

7.1.3 The Human Resources & Services Manager will, as often as necessary, perform any research needed to verify the necessity and the drawbacks of approving the proposal, then reconvene another meeting, if necessary.

7.1.4 At such a time where an agreement is met by all parties involved, an amended job contract will be drafted, and signed by the President, the staff and their supervisor, at which point the changes become binding.

- 7.2** For any changes to staff contracts that would increase the total pay of an employee, funds must be available within the CSA to cover these increases, as determined by the President. If these funds are not available, the matter shall be referred to the Finance Committee, and if necessary, the Board of Directors.

- 7.3** Changes made in this fashion may or may not set a precedent for future job postings. The determination of whether the changes made will have an impact on future job postings can be made by the Human Resources & Services Manager.

8.0 Extension of Staff Contracts

It is recognized that certain support staff positions at the CSA have an impact on the overall operations and functioning of the organization. These positions require a significant amount of time for the organization, specifically Executive and supervising staff, as well as the employee for training, skill development, and sustaining a specific level of operational capacity. In these situations, it would benefit the CSA to have an employee, upon favourable evaluation, remain in their position for longer than a one-year term. In addition, it provides the employee with the opportunity to apply their training and develop their skills for a longer period of time. This benefits the organization and the employee.

- 9.4 The President must ensure that all staff evaluations are completed within the probationary period and a copy included in the employee's staff file.
- 9.5 Should performance issues be identified, Executive Supervisors (or designate) must work with a member of the HR Support Team to ascertain next steps. 15.0 Progressive Discipline Process

We want all our employees to succeed in their jobs. Some issues or disagreements can easily be resolved by speaking with your supervisor.

Corrective action is designed so you will have an opportunity to learn what the CSA requirements are and have a chance to correct the problem. If there is a problem with your performance or conduct, a member of the Human Resources Support Team will act in an advisory capacity for the supervisor.

The Progressive Discipline process outlined below will be followed, depending on severity.

15.1 Counselling

If there has been a problem with performance or conduct, your supervisor will discuss it with you. This is the time to make sure you understand exactly what went wrong and how to keep it from happening again. Your supervisor will make a note in your employee file about what you discussed in the counselling session.

15.2 Verbal Warning

If a problem recurs, your supervisor will discuss it with you again. The consequences of further recurrence will be explained to you at this point. Your supervisor will make a note in your employee file about what you discussed in the verbal warning and expectations going forward.

15.3 Written Warning(s)

If a problem recurs, your supervisor will discuss it with you again and put a formal written warning in your employee file. The written warning, signed by both you and your supervisor, will record what happened; how you should correct the

problem; what the next disciplinary stage will be if the problem is not corrected; and any comments you would like to include.

15.4 Suspension

After the written warning(s), if your conduct or performance continues to be unacceptable, you will be suspended from work without pay. The length of the suspension will depend on the seriousness of the problems (one day, three day, or five day). You will be warned that if you do not correct the problem, you will be terminated for just cause, without further notice.

15.5 Termination

You will be terminated for just cause and without further notice if unacceptable performance or conduct continues after you return from suspension.

The stages of progressive discipline exist to help you correct any difficulties you are having on the job. However, if a serious incident occurs, such as one that threatens the safety of employees or our operations, the CSA may skip stages in the progressive disciplinary process and move directly to written warnings, suspensions and/or termination without the need for prior disciplinary action. Counselling notes, warnings or suspensions will remain active in your file for three years, unless further incidents occur.

16.0 Complaint Resolution

It is the desire of the CSA to have a harmonious relationship with all employees. Any Executive member, Board member, staff member, volunteer or job applicant who feels they have just cause for a complaint is encouraged to seek resolution under this procedure at the earliest possible time.

The Complaint Resolution Procedure is intended to provide a fair and equitable means of addressing problems or disputes that may occur. A Human Resources Support Team is in place to ensure fair, consistent procedures are in place for all CSA members.

16.1 Human Resources (HR) Support Team

The Human Resources Support Team is charged with the responsibility of providing HR support to all CSA and CSA Bullring employees, volunteers, Executive and Directors. This support includes requisite guidance to all Supervisors, including Executive Supervisors, who initiate the Progressive Discipline Process. The HR Support Team consists of the Business Manager, the Office Manager and the Bullring General Manager (GM).

Members of the HR Support Team are required to work in consultation and collaboration with the appointed external HR consultant(s).

- 16.1.1** Members of the HR Support Team are required to be trained in anti-oppression, inclusivity, conflict resolution, investigatory processes, HR compliance and applicable legislation training.
- 16.1.2** The HR Support Team is permitted to seek advice from outside legal counsel.
- 16.1.3** Only one member of the HR Support Team will serve as the first point of contact for individuals seeking HR support.
- 16.1.4** HR Support Team members may seek advice from another member of the HR Support team.
- 16.1.5** The Bullring GM is the first point of contact for Bullring HR complaints. However, in the event a complaint is made against the Bullring GM, the complaint will be referred to one of the other team members.
- 16.1.6** The Business Manager or the Office Manager is the first point of contact for all non-Bullring HR complaints. In the event a complaint is made against one or both CSA Managers, the complaint may be referred to the Bullring GM.
- 16.1.7** Should a supervisor deem it necessary to initiate the Progressive Discipline Process, a member of the HR Support Team must support and provide guidance throughout the entirety of the process.
- 16.1.8** Newly-hired employees who require an Accommodation Plan will be directed to a member of the HR Support Team who will, in turn, work with the new hire to create an appropriate plan. The HR Support Team member is responsible for communicating the details of the Accommodation Plan to the Executive Supervisor and the Immediate Supervisor/Team Leader, when possible, prior to the start date.

16.2 Complaint Resolution Procedure

- 16.2.1** CSA members are encouraged to first try to resolve their complaint directly with the person with whom they have an issue.
- 16.2.2** If there is a complaint that cannot be resolved directly, the complainant is

encouraged to bring their concerns forward to the appropriate member of the HR Support Team to request a meeting.

16.2.3 The HR Support Team Member will set up a meeting within five (5) working days. During the meeting, the HR Support Team Member will ask for details regarding the concern and how the complainant would like to proceed. The HR Support Team Member will discuss options on how to move forward in a positive and constructive manner.

16.2.4 The HR Support Team Member will track the resolution process over a period of time with the complainant. If a resolution is not found, the HR Support Team Member will contact the external CSA HR Consultant for advice and support on next steps. Final decisions regarding resolutions will be made together by the President and the investigating HR Support Team Member.

17.0 Workplace Harassment and Violence Policy

The Central Student Association (CSA) is committed to providing a workplace in which all employees are treated with respect and dignity. The purpose of this policy and program is to prevent workplace harassment and violence and to provide and maintain a professional working environment for all.

Any Executive member, Board member, staff member, volunteer or job applicant who feel they have just cause for a complaint is encouraged to seek resolution under this policy at the earliest possible time.

This policy also applies to situations in which you feel you have been harassed or encountered a violent situation in the workplace from individuals who are not employees of the CSA, such as customers and/or members of the public. The available outcome, however, may be constrained by the situation.

Workplace Harassment and Violence may occur in a variety of different locations in which you are engaged in work-related activities.

This includes, but is not limited to:

- the workplace, work-related travel
- telephone, e-mail, other communications, or any work-related social event whether it is CSA sponsored or not.

17.1 Workplace Harassment and Violence Program

It is our mutual responsibility to ensure that we create and maintain a harassment-free and violence-free workplace, and address violence and/or the threat of violence from all possible sources.

The CSA will do its part by not tolerating or condoning discrimination, harassment, or violence in the workplace. This includes making everyone in our organization aware of what behavior is and is not appropriate, assessing the risk of workplace violence, investigating complaints, and imposing suitable corrective measures.

The CSA has the following measures in place:

- doors are locked when the office is closed, keyed entrance/exit only
- a system for quick communication via telephone and computer
- managers in the office are readily accessible
- an employee who comes into work outside of normal office hours will provide prior notice to their manager of when they will be at the office
- staff are not scheduled to work alone during an event.

Employees who anticipate or fear a possible risk of violence in the workplace have the right to refuse to perform work as outlined under the Occupational Health and Safety Act.

The CSA encourages employees to bring forward suggestions for further workplace violence prevention measures. Employees with suggestions for further input should report the same to a member of the HR Support Team or a member of the Joint Health and Safety Committee (JHSC).

Management is expected to adhere to this policy, support the workplace violence program and ensure that the measures outlined in it are followed. Managers are responsible for responding to employee concerns, for taking reasonable precautions and for instructing employees in measures to protect employees.

Employees are expected to adhere to this policy and to support the workplace violence program. This includes reporting incidents of threatening or violent behaviour whatever the source. Employees are not to engage in any behaviours that contravene this policy. Doing so, or making false accusations of violence, may be cause for disciplinary action, up to and including dismissal.

17.2 Ontario Occupational Health & Safety Act (OHSA) Definitions

17.2.1 Workplace Harassment and Bullying

The OHSA defines workplace harassment and bullying as:

- engaging in a course of vexatious comment or conduct against a worker in a workplace that is known or ought reasonably to be known to be unwelcome, or
- an aggressive behavior of harassment or violence, usually directed towards one person.

Workplace harassment and bullying may have some or all of the following components:

- vulgar and/or aggressive language
- intimidates, isolates, or discriminates against someone
- hostile, abusive, or inappropriate
- generally repetitive, although a single serious incident may constitute workplace harassment if it undermines the recipient's psychological or physical integrity and has a lasting harmful effect
- affects the person's dignity or psychological integrity
- results in a poisoned work environment.

Some examples of workplace harassment and bullying are:

- verbally abusive behaviour, such as yelling, insults, ridicule, and name calling, including remarks, jokes, or innuendoes that demean, ridicule, intimidate, or offend
- workplace pranks, vandalism, bullying, gossip, hazing and humiliation
- excluding or ignoring someone, including persistent exclusion of a person from work-related social gatherings
- offensive or intimidating telephone calls or e-mails.

Harassing comments or conduct can make the environment a hostile or uncomfortable place to work even if the person is not being directly targeted. This is commonly referred to as a poisoned working environment and it is a form of harassment.

A poisoned work environment may include:

- deliberately excluding or socially isolating another individual from the team
- displaying offensive or sexual materials, such as posters, pictures, calendars, websites or screen savers
- distributing offensive e-mail messages or attachments, such as pictures or video files

- practical jokes that embarrass or insult someone
- jokes or insults that are offensive, racist or discriminatory in nature.

What Does Not Constitute Workplace Harassment and Bullying

Workplace harassment should not be confused with legitimate, normal workplace conflict or differences of opinion between individuals or reasonable management actions, including, but not limited to:

- measures to correct performance deficiencies, such as placing someone on a performance improvement plan
- imposing discipline for workplace infractions
- requesting reasonable documents in support of an absence from work.

17.2.2 Workplace Sexual Harassment

The Occupational Health & Safety Act defines workplace sexual harassment as:

- engaging in a course of vexatious comment or conduct against an employee in a workplace because of sex, sexual orientation, gender identity or gender expression, where the course of comment or conduct is known or ought reasonably to be known to be unwelcome, or
- making a sexual solicitation or advance where the person making the solicitation or advance is in a position to grant or deny a benefit or advancement to the employee and the person knows or ought reasonably to know that the solicitation or advance is unwelcome
- conduct or comments of a sexual nature that the recipient does not welcome or that offend them.

Some examples of workplace sexual harassment are:

- sexual advances, demands or leering (persistent sexual staring) that the recipient does not welcome or want
- displaying or distributing sexually offensive material, such as posters, pictures, calendars, cartoons, screen savers, pornographic or erotic websites or other electronic material
- sexually suggestive or obscene comments or gestures or unwelcome remarks, jokes, innuendoes, propositions, or taunting about a person's body, clothing, or sex
- persistent, unwanted attention after a consensual relationship ends
- threats, punishment or denial of a benefit for refusing a sexual advance
- offering a benefit in exchange for a sexual favour

- sexual assault.

17.2.3 Workplace Discriminatory Harassment

Workplace discriminatory harassment includes comments or conduct based on the protected grounds in the *Ontario Human Rights Code* which the recipient does not welcome or that offends them.

Some examples of discriminatory harassment include:

- offensive comments, jokes, or behaviour that disparage or ridicule a person's membership in one of the protected grounds
- imitating a person's accent, speech, or mannerisms
- persistent or inappropriate questions about whether a person is pregnant, has children, or plans to have children
- inappropriate comments or jokes about an individual's age, sexual orientation, personal appearance or weight.

The Test of Harassment

It does not matter whether you intended to offend someone; the test of harassment is whether you knew or should have known that the comments or conduct were unwelcome to the other person. For example, someone may make it clear through their conduct or body language that the behaviour is unwelcome, in which case you must immediately stop that behaviour.

Although it is commonly the case, the harasser does not necessarily have to have power or authority over the recipient.

17.2.4 Workplace Violence

At the CSA, we are committed to the prevention of any type of violence that may occur in the workplace that endangers or threatens the safety of our employees. We will take every reasonable precaution to protect our employees from workplace violence from all sources. Violent or threatening behaviour is unacceptable from anyone. All Executive members, Board members, staff members and volunteers are expected to participate in the prevention of workplace violence.

The Occupational Health & Safety Act defines workplace violence as:

- the exercise of physical force by a person against an employee, in a workplace, that causes or could cause physical injury to the employee

- an attempt to exercise physical force against an employee, in a workplace, that could cause physical injury to the employee
- a statement or behaviour that it is reasonable for a worker to interpret as a threat to exercise physical force against the employee, in a workplace, that could cause physical injury to the employee.

Workplace violence includes:

- physically threatening behaviour such as shaking a fist at someone, finger pointing, destroying property, throwing objects
- verbal or written threats to physically attack a worker
- leaving threatening notes or sending threatening e-mails
- stalking someone
- physically aggressive behaviours, including hitting, shoving, standing excessively close to someone in an aggressive manner, throwing objects, physically restraining someone, or any other form of physical or sexual assault.

17.2.5 Domestic Violence

Where an employee becomes aware that they themselves or another employee may be subject to domestic violence that could expose the person to physical or psychological injury in the workplace or otherwise, the employee should report this concern to a member of the Human Resources Support Team (Bullring General Manager, CSA Business Manager or CSA Office Manager). In conjunction with the employee, the CSA will take reasonable steps to investigate the concern and provide support and protection.

Measures may include:

- screening calls and blocking specific e-mail addresses
- providing an escort to your vehicle or public transit
- adjusting work hours or location
- adding security measures
- providing contact information for support groups and other outside agencies
- contacting police.

17.3 Reporting and Investigation of a Complaint or Incident

17.3.1 Reporting a Complaint or Incident

An employee who receives a threat, is the victim of a violent or harassing act, or who witnesses a violent or harassing act against another employee is to report the incident or complaint to their supervisor, who will in turn, immediately inform the CSA Business Manager. If the complaint involves the supervisor, employees shall contact the CSA Business Manager directly. Should the CSA Business Manager be involved in the complaint or incident, the supervisor shall immediately inform the CSA Office Manager.

Reports may be in person, by telephone, e-mail or in writing and must include:

- the date, time and location
- details of the threat or violent act
- names of the alleged perpetrators (if known) and the names of any witnesses.

The CSA Business Manager (or designate) shall take immediate steps to investigate the complaint and address the incident if it is ongoing. In collaboration with the CSA external HR Consultant and if warranted, the CSA will advise the police.

17.3.2 Investigation Procedure

The CSA Business Manager (or designate) is appointed as ‘the Investigator’ and will work with the retained external HR Consultant or an impartial third-party investigator. In the event the CSA Business Manager is unavailable or involved in the incident, the complaint shall be directed to the CSA Office Manager who will be the Investigator as per the procedure set out below. Members of the HR Support Team can seek advice and support from each other as needed.

In incidents of harassment, actual or attempted physical violence, or threats, the following is the investigation procedure that the CSA will follow:

1. The complainant will advise their supervisor, who will immediately notify the Investigator of the incident (as outlined in “Reporting a Complaint or Incident” Section).
2. As soon as possible, the Investigator will meet with the complainant to review the complaint, confirm the facts and advise the complainant of the process for conducting a formal investigation. At this point, the Investigator and the complainant may consider an informal process to resolve the issue or decide to proceed with a formal investigation.
3. In either case, the Investigator will make notes about the event based on the complainant’s statements and the complainant will be given the opportunity

to review the notes and respond via email or in writing that the details are accurate. If an information process is decided upon, the Investigator will document the resolution and get written approval from the complainant. This documentation will be placed in a confidential and secure HR file.

4. If a formal investigation is warranted, the Investigator will advise the person against whom the complaint was made ('respondent') of the complaint and will meet with the respondent to discuss the matter. The respondent will have the opportunity to put forward their understanding of the events and the names of witnesses, if any. the Investigator will make notes and the respondent will have the opportunity to review the notes and affix their signature to indicate accuracy.
5. If there are facts in dispute or additional information is required to make a fair assessment, the Investigator will interview witnesses. The Investigator will prepare notes based on those interviews and the witness(s) will review and sign to indicate accuracy. Any material evidence related to the incident such as e-mails, voice mails, and/or video recordings, will be collected by the Investigator to review.
6. Once the investigation is complete, the Investigator will prepare a written report of the facts in collaboration with the external HR Consultant. This written report will be presented to the President. If the complaint is made about the President, the Investigator will meet with a Member of the Board as appointed by the Board of Directors.
7. The final resolution of the complaint will be made in consensus with the CSA Business Manager (or delegate), President (or delegate), and the external HR Consultant. Both the complainant and the respondent will be notified of the results of the investigation and any corrective action to be taken.
8. Complaints and notes of investigation(s) are to be stored separate from employee records. These confidential documents are to be stored in a locked, secured file in the Business Manager's office for a period of five years.

Confidentiality will be reinforced to all parties of the investigation and by the Investigator such that personal information will not be disclosed except to the extent that it is necessary for the purposes of completing the investigation. All parties are expected to keep confidential, their knowledge of and involvement in the matter and to treat all others involved with respect.

The CSA reminds all employees that reprisals against any employee for making a complaint or for participating in an investigation will not be tolerated. Likewise, the use of this policy for improper purposes will not be tolerated. If an employee is found to have made an intentionally false complaint, the employee will be subject to disciplinary action up to and including dismissal.

18.0 Respect in the Workplace

The CSA is committed to maintaining an open and fair working anti-oppressive environment for each individual involved in the CSA, consistent with the exercise of free speech and with enjoyment of social relationships which are normal part of life. Central to this commitment is the belief that it is the right of each CSA Executive member, Board member, staff member and volunteer to work in an environment free from harassment and discrimination and where each individual is treated with respect.

Every CSA member and volunteer has equal access to the rights and protections provided under this policy, as well as, the Human Rights Policy for the University of Guelph and the Workplace Harassment and Violence Policy.

- 22.8** Individuals who are not members of the University of Guelph community may apply as volunteers. The CSA and its respective programs will consider these applicants on a case-by-case basis.

- 22.9** All volunteers will be given letters of reference, if requested.
- 22.10** Should a volunteer feel that they have just cause for a complaint, Section 15.0 of the CSA HR Policy will apply.

23.0 Honorarium Policy

- 23.1** This policy is to apply for all individuals who are paid for services rendered on an honorarium basis, without an existing contract with the CSA. This policy also includes any individuals under contract with CSA for services rendered outside of said contract.
- 23.2** Honorarium paid for the performance of any task for the CSA (eg. workshop) while not under an existing contract, may be reimbursed to a maximum of \$75. This amount may be paid through any combination of cash, gift certificates or gifts, as long as the total cost is less than \$75.
- 23.3** A maximum of \$25 may also be reimbursed for travel costs associated with the performed task. Receipts for travel shall be required for this reimbursement.
- 23.4** Any honorarium requests outside of the schedule listed above will require a contract, to be notarized and approved by the President, unless otherwise stated in any other policies of the CSA.

24.0 Right to Disconnect From Work Policy

The Central Student Association is committed to supporting employees' mental health and wellbeing, which includes promoting a sustainable work-life balance, reducing work-related stress, and helping prevent burnout, with the ultimate goal of creating a psychologically safe workplace. The purpose of this policy is to establish fair and reasonable conditions to support employees' right to disconnect in accordance with the CSA's operational needs and the requirements outlined in the Ontario's *Employment Standards Act, 2000* ("ESA") and its applicable regulations. This policy applies to all Central Student Association employees.

As per the ESA, "disconnecting from work" is defined as not engaging in work-related communications, including emails, telephone calls, video calls, or sending or reviewing other messages, and to be free from the performance of work.

24.1 Working Hours

- 24.1.1** The standard business hours of the Central Student Association are 9am to 5pm, Monday to Friday. It is understood that working hours will vary by employee, depending on the position, contract details, and/or CSA Bylaw. Any variations from your established working hours should be discussed with your respective supervisor.
- 24.1.2** We strongly encourage employees to disconnect from all forms of work-related communications upon completion of their scheduled shift, during lunch breaks, or when they are away for reasons including vacation and other personal time off.
- 24.1.3** You may receive communications outside your regular hours of work; however, unless told otherwise, you are not expected to check or respond to these communications until you return to your regularly scheduled work.
- 24.1.4** We acknowledge that there may be special circumstances where communication outside work hours may be required, but we are committed to ensuring that these are as infrequent as possible and not a regular occurrence. These situations may include, but are not limited to:
- Staff shortages or requests to cover absenteeism;
 - Sensitive deadlines;
 - Managing a crisis or an unforeseen circumstance.
- 24.1.5** Communications related to scheduling and reporting an absence are exempt from this policy.

24.2 CSA Executives and Managerial Staff

- 24.2.1** It is understood that CSA Executives and Managerial staff have different work and scheduling expectations due the nature and role of their positions within the organization. It is our goal to ensure these individuals have the ability to sufficiently disconnect from work, however, there are times when work will be necessary outside of regular hours, such as attending meetings, addressing essential operational needs, or completing time-sensitive responsibilities. These requirements will be communicated with as much notice as possible. Executives and Managerial staff must use their professional experience and judgement to appropriately balance their workload and other commitments to ensure an appropriate work-life balance while meeting the expectations outlined in their portfolios. Concerns from Executives and Managerial

staff about their right to disconnect should be raised with the CSA President.

24.3 Company Commitment

24.3.1 To encourage a culture where employees feel they can disconnect from work, we commit to respecting the working hours of employees when setting deadlines, sending communications, and scheduling meetings. We encourage employees to speak with their supervisor if they are unable to sufficiently disconnect from work and we commit to supporting them in addressing the underlying concerns.

24.4 Employee Responsibilities

24.4.1 To ensure their ability to properly disconnect from work, employees are responsible for the following:

- Adhere to CSA policies about core and normal working hours, whether working onsite or remote.
- Have a mutual agreement with their supervisor about established working hours.
- Respect other employees' normal working hours and their right to disconnect; avoid scheduling meetings, calling, or emailing them about business matters outside their normal working hours.
- Responsibly manage their time, workload, and deliverables during their normal working hours.
- Avoid responding to work related matters outside of normal working hours, when possible.
- Use "out of office" or "high volume" automated messages when applicable (example: vacation, conference, O-week, or extended absences).
- Speak with their supervisor if they are experiencing any concerns with not being able to disconnect from their work.

24.5 Conclusion

24.5.1 It is our hope that this policy will contribute to our ongoing efforts to support employee mental health and wellbeing. If you have questions about this policy, please speak with the President or a member of the HR Support Team.

1.0 Preamble

A well-functioning Board of Directors is essential to the health, sustainability, and growth of the Central Student Association (CSA).

The CSA's Board of Directors ('Board') accomplishes much of its work through CSA Board Committees ('committees') to enhance Board productivity and organizational effectiveness.

2.0 Definitions

In this policy, unless the context otherwise requires, these shall be the definitions:

"Board" means the Board of Directors of the CSA.

"Chair" means the Chair of the Board.

"Director" means an individual occupying the position of Director of the CSA by whatever name they are called.

"Executive", sometimes referred to as Executive Officers means one, or all of the four Executive of the CSA, namely, the President, Vice President Student Experience, Vice President Academic, and Vice President External.

"Full-time undergraduate" means a person who is registered at the University of Guelph as a full-time undergraduate student as the same is defined from time to time by the Registrar of the University of Guelph, or as a person who has been registered in one of the immediately preceding two semesters and who is eligible to continue in a recognized program at the University of Guelph.

"Members" means the collective membership of the CSA.

"Officer" means an officer of the Corporation.

"Part-time undergraduate" means a person who is registered at the University of Guelph as a part-time undergraduate student as the same is defined from time to time by the Registrar of the University of Guelph, or as a person who has been registered in one of the immediately preceding two semesters and who is eligible to continue in a recognized program at the University of Guelph.

"Registered undergraduate student" means a person who is registered at the University of Guelph as an undergraduate student.

3.0 Committees Overview

3.1 Authority (Decision-Making)

3.1.1 In general, unless specifically stated in CSA bylaws or policy, or within the committee's terms of reference, committees are not decision-making bodies, but rather working committees responsible for:

- a) Providing input prior to matters coming to the Board.
- b) Considering issues as directed by the Board.
- c) Making recommendations to the Board.

3.1.2 The Board is responsible for the consideration and final approval of all committee recommendations; however, the Board is not obligated to agree with the recommendations.

In other words, committee recommendations can be considered as 'suggestions for the Board's consideration'.

3.2 Purpose of Committees

Committees allow the Board to divide work into manageable sections, so that proper time is provided to Board members to research and consider issues.

In addition, committees permit broader participation, so skills and expertise external to the Board can be consulted on issues of importance.

3.3 Establishing Committees

The Board may establish the number and nature of its committees, including the membership of them except whereas a committee is mandated by legislation, such as the Joint Health and Safety Committee, which is mandated by the Ontario Health and Safety Act (OSHA).

3.4 Accountability

CSA committees provide the benefit of strong accountability. Committee members have specific assigned tasks and are directly accountable to the Board for completing them.

Committees have dedicated time for addressing agenda items, and the Board expects them to conduct due diligence and be thorough, yet timely, in pursuing their responsibilities.

Committees provide comprehensive information to the Board that is presented in a concise manner to help inform Directors' votes on specific issues.

Committees are expected to be accountable for making timely reports to the Board, as outlined in the terms of reference of each committee.

3.5 Composition

CSA committees utilize the varied and specific talents, expertise, skills and knowledge of CSA Members, Directors, Executive, staff, and volunteers to provide a complete and broad perspective on issues.

Committees may include members external to the CSA considered to be subject matter experts that can contribute to fulfilling a committee's mandate by providing even broader expertise and perspective.

In cases of Executive vacancies, alternate Executive Members will be assigned to fulfill the committee responsibilities of the vacant position, by vote of the Executive Committee. The selected Executive will assume responsibility for all listed duties of the vacant Executive position within the Terms of Reference for the committee.

3.6 Member Conduct

Committee members shall exhibit the following behaviours in the course of their work:

- a) Embrace a spirit of collaboration.
- b) Contribute to discussion and build on the ideas of others.
- c) Be willing to ask probing questions and explore various perspectives and alternatives.
- d) Assist in evaluating the adequacy of available data.
- e) Willing to take extra time when needed to seek out additional sources of expertise before making final decisions.

3.7 Member Responsibilities

Committee work requires members be willing to spend the necessary time and effort needed to research issues, and who understand that committee work is in addition to regular Board work.

3.8 Terms of Reference (Committees)

- 3.8.1** Each CSA committee shall have formal terms of reference to determine their responsibilities and expectations. The terms of reference should

include:

- a) The composition of the committee.
- b) The objectives, purpose and activities.
- c) The powers that have been delegated.
- d) Any mandate to make recommendations to the Board.
- e) The lifespan of the committee.
- f) Meeting frequency, meeting roles: Scribe (note taker, secretary, etc.), Chair, Vice-Chair, and requirements for quorum.
- g) A scheduled review of the terms of reference.
- h) How the committee reports to the Board.

3.8.2 When developing committee terms of reference, the Board should consider that the committee's work is primarily advisory in nature.

A committee's terms of reference should detail the types of recommendations the Board is looking for, and define the committee's authority, whether it is expressed or implied.

At the CSA Board meeting on March 27, 2019,

Appendix E: Issues and Organizational Policy

was amended and split into two policies:

Appendix E: Organizational Policy

and

Appendix I: Issues Policy.

1.0 Relationship with the University of Guelph

1.1 Preamble

The students of the University of Guelph comprise the largest group of stakeholders within the campus community. As such, to ensure the University is accountable to students and representative of student needs, the University must ensure student representation on committees and governing bodies. Representation on such bodies should comprise of a representative sample of the University of Guelph community, as determined by enrolment and other means.

1.2 Policy

The CSA supports:

- the right of students' unions to democratically decide who will represent students on such bodies.

The CSA opposes:

- the recognition of any individual student or student group that is not elected by students or appointed by an officially recognized students' union or association as a student representative for the purposes of representing the needs or interests of students on any advisory or decision-making body.

1.2.1 Policy with Board of Governors

As the highest decision-making body of the University of Guelph, it is the Board of Governor's duty to ensure student representation on this body with full participation rights. Student representation should be proportional to the extent that students make up membership of the University of Guelph community.

The Board of Governors must be accountable to the university community, the citizens of Guelph, the Province of Ontario, and all stakeholders within the University. All representatives to the Board of Governors should be democratically selected, and all representatives should be held accountable to their membership for the decisions they make. The Board of Governors should be substantially made up of internal members of the University of Guelph community, who have a vested interest in its decisions and direct knowledge of University and post-secondary issues.

The Board of Governors, as the governing body of a publicly funded institution, makes decisions that affect the University of Guelph community. All deliberations and decisions of the Board of Governors, including financial decisions, must be public knowledge. Students, as major stakeholders in the University of Guelph,

have the right to be informed of the agenda and priorities of, and any decisions made by the Board of Governors.

The CSA, as the recognized representatives of undergraduate students, must make every effort to inform its membership of Board of Governors decisions that affect its membership. The CSA must communicate with the elected Board of Governors student representatives in order to both provide input and receive information on Board of Governors activities.

1.2.2 Policy with Senate

The CSA believes that as students are major stakeholders in the University of Guelph, and that as the University of Guelph Senate makes decisions affecting the lives of students, students should continue to have full participation rights on the Senate, proportionate to the extent that students make up the University of Guelph community.

The CSA, as the recognized representatives of undergraduate students, must make every effort to inform its membership of Senate decisions that affect its membership. The CSA must link with the elected Senate student representatives in order to both provide input and receive information on Senate activities.

1.2.3 Policy with Other University Committees

The CSA shall ensure, to the best of its ability, that student representation is actively present at all university committee levels that make decisions or recommendations that impact on the lives of students. The CSA shall maintain active communication with such student representatives.

1.3 Fees

1.3.1 Policy of CSA Autonomy and Fees

The CSA believes that tuition fees treat education as a commodity to buy and sell and ignores education as a human right that combined with other factors limits students' right to education. The University of Guelph Board of Governors must not approve any tuition fee increases, whether within Ontario government guidelines or otherwise. The Board of Governors should instead freeze tuition fees or reduce tuition fees as a provisional measure, while actively working towards the elimination of tuition fees, as outlined in Article 13 of the International Covenant on Economic, Social and Cultural Right, to which Canada is a signatory.

1.3.2 Ancillary Fees

The CSA believes that ancillary fees levied by the University of Guelph to pay for certain programs and services are ignorant to the already high cost of education when these services should be funded by the university. The CSA believes that it is the university's responsibility to fund programs and services that are controlled by the university administration.

The CSA believes that efforts of the University of Guelph to generate additional revenues by the institution of certain fees-for-service, deposits and overpricing of university documents, manuals and services is a regressive form of university funding that is damaging to students, and all efforts must be made to counteract this type of funding.

The CSA upholds the idea and urges the practice that we, as an autonomous organization, has control over the fees it collects for its members and for organizations that we are a part of. The CSA does not support and condemns the Student Choice Initiative as it is a direct effort to destroy student unions and organization. In the process of the University collecting fees on our behalf, we remain control over the said fees, the date of collection and the date of discontinuation, as determined by student referendum.

1.4 Policy with the Graduate Student Association (Local 62 of the Canadian Federation of Students)

The CSA recognizes that graduate students at the University of Guelph are an integral part of the university community, and that they have concerns particular to their position within this community. The CSA recognizes the Graduate Student Association (GSA) as the legitimate, democratically controlled representatives of the graduate students at the University of Guelph and recognizes that the GSA is entitled to equitable levels of representation at all levels of university decision-making bodies.

The CSA recognizes that graduate student teaching assistants employed by the University of Guelph are represented by their collective bargaining unit, CUPE 3913, and supports their union on limiting the exploitation and increasing job security for graduate students. The CSA recognizes that undergraduate students at the University of Guelph depend on graduate student teaching assistance for a portion of their education and have a vested interest in ensuring that graduate students are well treated.

1.5 Policy with Faculty

The CSA recognizes the University of Guelph Faculty Association as the legitimate, democratically elected representatives of the University of Guelph faculty, and will work with the Faculty Association on areas of common concern to students and faculty.

The CSA believes that it is the right of University of Guelph students to have public access to teaching and course evaluations and will work towards a mechanism of making such information available to students.

The CSA believes that the University of Guelph must make every effort, including employment equity hiring, to ensure that faculty represent the diversity of Canadian society.

The CSA believes that a quality education flourishes only in an intellectually free climate. We oppose, therefore, any and all attempts to impose political or other selection criteria, in short, any non-academic criteria, upon the academic and research work of post-secondary education. Academic freedom and a quality education are indivisible. We recognize that academic and research work must be undertaken with a spirit of responsibility to society, as befits its intellectual leaders.

The CSA believes that as educators, faculty must receive teaching training in order to best convey information and knowledge, and in order to facilitate the University of Guelph learning objectives.

1.6 Policy with Stakeholder Organizations

1.6.1 The CSA will make every effort to work with other stakeholders at the University of Guelph in order to raise awareness of, and affect change in areas of common concern.

Such organizations include, but are not limited to:

- Canadian Union of Public Employees (CUPE)
Locals 1281, 1334, and 3913
- College and Academic Research Group (CARG)
- Graduate Students Association
- Guelph-Humber Student Association
- Ontario Nurses Association Local 15
- Ontario Secondary School Teachers' Federation (OSSTF) District 35
- Professional Staff Association
- United Steelworkers (USW) Local 4120

- University of Guelph Faculty Association
- University of Guelph Food Service Employees Association
- University of Guelph Police Association
(represented provincially by OPSEU)

1.6.2 This will include the establishment of stakeholder meetings, if necessary, organized by the Vice President External, at the beginning of each school year. The stakeholder meetings shall be comprised of the CSA as well as other groups on campus sharing a similar mandate or that face common issues and/or challenges.

2.0 CSA Interaction with other Organizations

2.1 Relationship with the Canadian Federation of Students

2.1.1 Preamble / History

The students at the University of Guelph hosted the initial meeting of the Ontario Federation of Students, the precursor to the Canadian Federation of Students-Ontario in 1972. The students at the University of Guelph held a certification referendum with the Federation in 1979 in which the undergraduate students became part of the Federation. The University of Guelph Central Student Association is Local 54 of both the National and Provincial components of the Federation.

The Executive Committee is responsible for appointing a representative of local 54 to the CFS Ontario Executive Committee. The Executive Committee is responsible for communicating information about the Federation to the CSA membership and communicating and facilitating delegates to Ontario General Meetings, National General Meetings, and any other meetings or gatherings of the Federation.

2.1.2 Policy with the Canadian Federation of Students – National

The CSA recognizes that in order to overcome legislated or social barriers to the provision of a quality post-secondary education, it must communicate with national student representation. The CSA recognizes that one of the barriers to quality post-secondary education is the lack of provision of federal transfer monies to education. The CSA recognizes the Canadian Federation of Students as our students' national representation.

As members of the Federation, the CSA shall connect with, facilitate initiatives from, and commit representation to, this organization. We acknowledge our

responsibilities as active members of this organization in providing a link between it and the undergraduate students at the University of Guelph.

The CSA recognizes that the Canadian Federation of Students links with other national representatives of groups concerned with post-secondary education, such as faculty associations, staff associations, labour unions, college associations, as well as coalition groups dealing with post-secondary issues. The CSA recognizes its responsibility on a local level to work with such organizations in order to raise awareness of student issues among them, and to build coalitions on common areas of concern.

Any significant decision regarding membership of CFS shall be decided by student referendum, including but not limited to fee increases beyond the cost of living, becoming members, and withdrawing membership.

2.1.3 Policy with the Canadian Federation of Students – Ontario

Similar to national student representation, the CSA recognizes that in order to overcome provincial barriers to the provision of a quality post-secondary education, it must communicate with provincial student representation. The CSA recognizes the Canadian Federation of Students - Ontario as our students' provincial representation. As members of the Federation, the CSA shall connect with, facilitate initiatives from, and commit representation to, this organization. We acknowledge our responsibilities as active members of this organization in providing a link between it and the undergraduate students at the University of Guelph.

The CSA recognizes that the Canadian Federation of Students - Ontario links with other provincial representatives of groups concerned with post-secondary education, such as faculty associations, staff associations, unions, college associations and so on, as well as coalition groups dealing with post-secondary issues. The CSA recognizes its responsibility on a local level to work with such organizations in order to raise awareness of student issues among them, and to build coalitions on common areas of concern.

Any significant decision regarding membership of CFS-O shall be decided by student referendum, following CFS bylaws, including but not limited to fee increases beyond the cost of living, becoming members, and withdrawing membership.

2.2 Policy with the University Centre Administration

The University Centre was an initiative of the student population at the University of Guelph, predating the CSA. The funds collected by the student population were directly used to build the University Centre.

Policy with the University Centre Board

2.3 Relationship with the City of Guelph

2.3.1 Preamble

The CSA recognizes that students form an integral part of the City of Guelph and are therefore entitled to all the benefits and responsibilities inherent in residency of this city. The CSA works to ensure that students' interests are represented and defended when decisions or recommendations of the Guelph City Council or City Council committees that impact on the lives of students, are made.

Adequate affordable housing in the City of Guelph is a right of University of Guelph students. The CSA strongly condemns any city bylaw enactments that discriminate against students, including, but not limited to, tenancy restrictions. The CSA strongly urges the City of Guelph to combat any discrimination students incur when seeking affordable housing.

2.3.2 Relationship with Guelph Transit

The CSA has established a valuable working relationship with Guelph Transit (as part of the City of Guelph) and will continue to utilize this relationship to work effectively with Guelph Transit. The CSA will work with the City of Guelph to implement a fair public transportation system that takes into account the needs of University of Guelph students. These needs include seven-day service, late night service, adequate geographical coverage of the city, an affordable bus pass, and reasonable fares. The CSA works with the managerial and office staff of Guelph Transit, as well with the vehicle operators unionized as ATU 1189.

The CSA supports:

- agreements of a Universal Bus Pass contract with Guelph Transit that benefit students with a low-cost or free city bus pass
- Late Night Bus Service, provided at a low-cost or free to students

The CSA opposes:

- privatization of Guelph Transit

1.0 Preamble

The CSA Appendix F – Clubs Handbook (‘Clubs Handbook’) provides club participants of the essential criteria regulating Accredited Clubs and their continued status. This includes, but is not limited to, information regarding financial management, facility access, and club operations, so that they may operate easily and effectively over the course of the semester.

This handbook also serves as a guide for new clubs interested in attaining Accredited Club status. Section 4.0 Student Organization Registration and Section 8.0 Financial Operation of this policy outline the requirements for clubs seeking accreditation.

The Clubs Handbook sets the boundaries and expectations of all Accredited Clubs. If not followed, the Accredited Club may lose their Accredited Club status, including all associated rights and privileges.

Questions and concerns regarding this handbook should be directed to the Clubs Coordinator and the Vice President Student Experience.

This section provides the definitions of terms used throughout this Handbook.

Accredited Club

A CSA Accredited Club (‘Accredited Club’) is a club that completes the accreditation process through GryphLife to receive Accredited Student Organization (ASO) status. Accredited Clubs abide by the University of Guelph Student Organization Policy (SOP) and the CSA Appendix F – Clubs Handbook. An Accredited Club must be of potential interest to all undergraduates.

Club Accreditation

Organizations, including clubs, wanting to operate on the University of Guelph campus, must become accredited. To become accredited, they must receive Accredited Student Organization (ASO) status through one of the Primary Student Organization (PSO) groups recognized by the Office of Student Affairs at the University of Guelph. The CSA is granted PSO status through the Office of Student Affairs and is considered the sponsoring organization for clubs seeking ASO status through accreditation.

ASO status is granted at the start of the Fall semester or Winter semester and lasts until the end of the academic year. Groups are accredited through GryphLife in collaboration between the University of Guelph Student Experience and the CSA.

Clubs Coordinator

The Clubs Coordinator is a primary contact and resource individual for Accredited Clubs, CSA Executives and CSA staff regarding Accredited Club matters and accreditation.

Clubs Conduct Tribunal ('Tribunal')

The Tribunal determines whether a student club's accreditation status or an Accredited Club's privileges, including use of space on campus, club space, access to PDRs/funding, collection of student fees, will be revoked, denied and/or subject to any limitations as referenced in Appendix F, Section 6.0 Punitive Action, and Appendix H, Section 2.0: Space Infractions.

Club Executives

Club Executives include a minimum of four (4) club members who are accountable to the CSA for all club activities. These members include the Primary and Secondary Contacts, and two (2) Booking Officers and two (2) Financial Officers. Note that Primary and Secondary contacts may also act in Booking or Financial Officer positions concurrently. Club Executives must be members of the CSA during the semester in which they are an Executive.

Clubs Hallway

The CSA Clubs Hallway ('Clubs Hallway') extends down the entire east end of the UC second floor, with the exception of the CFRU space. This space is for Accredited Clubs and club activities only. Access to the bookable meeting rooms, storage lockers and Garage is available to all Accredited Clubs that remain in good standing.

Clubs Handbook

The CSA Appendix F – Clubs Handbook ('Clubs Handbook') and other CSA bylaws and policies govern the successful creation and operation of Accredited Clubs.

Club Members

Club membership can include all members of the University of Guelph community including undergraduate students, graduate students, alumni, faculty, and employees of the University of Guelph.

Clubs Offices

The CSA Clubs Offices include UC 270, 271, 272, 536, and 537. These designations can be re-assigned at any time by the Vice President Student Experience in collaboration with the Clubs Coordinator.

Clubs Event Coordinator

The Clubs Event Coordinator is a primary contact and resource individual for Accredited Clubs, CSA Executives and CSA staff relating to the Student Events & Risk Management (SE&RM) process. This position manages the Bookable Meeting Room process and locker assignments.

Club Status

Club Status refers to the accreditation of club, whether it be Accredited, Limited Accreditation or Loss of Accreditation.

CSA (Central Student Association)

The Central Student Association (CSA) is given Primary Student Organization (PSO) status by the Office of Student Affairs at the University of Guelph. The University of Guelph only recognizes clubs that are given Accredited Student Organization (ASO) status by one of the PSO groups recognized by the Office of Student Affairs. The CSA is considered the sponsoring organization for every Accredited Club.

Days

Weekdays on which the CSA Front Office is open for regular business hours. Statutory holidays are not included in this definition. Documents delivered to, or by, the CSA after the close of the CSA Front Office are considered to be delivered on the following day.

Limited Accreditation

With just cause, the Clubs Coordinator will refer issues that may result in the revocation of an Accredited Club's status or privileges to the Clubs Conduct Tribunal. An Accredited Club that has a privilege revoked is referred to as a Limited Status Club.

Loss of Accreditation

An Accredited Club must comply fully with the University's Student Organization Policy (SOP), Appendix F – Clubs Handbook and other applicable CSA policies and bylaws and must promptly inform the CSA of any changes in its Accredited Student Organization (ASO) information. Accreditation can be limited, suspended or lost entirely if an Accredited Club is found to have violated any of these requirements. The Clubs Coordinator will refer issues to the Clubs Conduct Tribunal, which has the right to determine club status and privileges.

Primary Contact

The main point of contact for an Accredited Club regarding activities, events, accreditation, room bookings, etc. This is the individual that people contact to communicate with an Accredited Club.

Privileges

Accredited Club privileges include access to space, services, and resources. When not Accredited, or with Limited Accreditation, or when under review by the Clubs Coordinator or Clubs Conduct Tribunal, Accredited Clubs may lose access to these privileges.

Religious, Faith, and World View Based Clubs

This classification of clubs includes all groups supporting religious or spiritual identities on campus that would like to meet on campus to present programs and engage students. Student-led groups, including those who may be supported by an external religious or spiritual advisory committee or a religious or spiritual professional, may apply to be an Accredited Club with the Central Student Association.

Semester

Includes the Fall, Winter and Summer semesters as defined in the University of Guelph Undergraduate Calendar.

Student Organization Policy (SOP)

The University of Guelph Student Organization Policy (SOP), in addition to the CSA Appendix F – Clubs Handbook, must be followed by clubs to maintain Accredited Club status.

Subject Club

A club that is the subject of an inquiry into accreditation status.

Vice President Student Experience

An Executive Officer of the CSA, the VP Student Experience oversees and supports clubs' staff, including the Clubs Coordinator and the Clubs Event Coordinator. The VP Student Experience portfolio includes responsibility for assisting clubs' staff, assigning bookable club space and lockers, organizing equipment rentals through the Garage, and coordinating access to store rental equipment in the Garage.

3.0 Student Organization Policy

The University of Guelph Student Organization Policy, known as the "SOP", is the only means for organizations to become accredited to operate on the University of Guelph campus. The CSA is given Primary Student Organization (PSO) status by the Office of Student Affairs at the University of Guelph.

The University of Guelph only recognizes clubs that are given ASO (Accredited Student Organization) status by one of the PSO groups recognized by the Office of Student Affairs. Each year, the CSA completes its own SOP paperwork for the Office of Student Affairs, which includes the list of the official Accredited Clubs.

The CSA is the sponsoring organization for each Accredited Club. The CSA is accountable for the actions of all Accredited Clubs to the Office of Student Affairs, Revenue Control, Hospitality & Conference Services, the University Centre Administration, and other groups on campus that demand accountability. It is the CSA's responsibility to regulate financial issues, events, risk management, and other actions of all Accredited Clubs.

4.0 Student Organization Registration

4.1 Clubs Seeking Accreditation

By the end of the second month of each semester, the Vice President Student Experience, in consultation with CSA Clubs staff, is responsible for awarding Club status to those who qualify as outlined in Appendix F – Clubs Handbook, Section 4.0 Student Organization Registration.

4.2 Clubs Handbook and Student Organization Policy (SOP)

The CSA is the representative for all full- and part-time undergraduate students at the University of Guelph. The CSA Appendix F – Clubs Handbook ensures that clubs given status by the CSA meet or exceed the requirements of accredited groups specified in the University's Student Organization Policy (SOP).

4.3 Accredited Student Organization (ASO)

Accredited Student Organization (ASO) status is granted on a regular basis through GryphLife. Clubs that received accreditation in the Fall Semester maintain their accreditation status throughout the academic year, while new clubs may apply at the start of the Winter Semester.

4.3.1 Clubs wishing to remain active in the Spring/Summer Semester must apply for Summer accreditation through GryphLife.

4.3.2 If a club wishes to run an event during Orientation Week, they must apply for Spring/Summer accreditation.

4.3.3 Clubs must be of potential interest to all undergraduates. Clubs of interest to specific colleges or programs will not be accredited by the CSA as they have the option of seeking accreditation with the appropriate college government.

4.3.4 Club membership must be open to all members of the University of Guelph community; including undergraduates, graduate students, faculty, employees of the university, and the community at large.

4.3.5 A minimum of twenty-five (25) members is required to receive accreditation under the CSA. Two-thirds (2/3) of the membership of all clubs must be undergraduate students as defined by the Undergraduate Calendar.

4.3.6 Clubs General Meeting

At least one representative from each club must attend the Clubs General Meeting of the semester in which they are applying for accreditation. If the club does not arrange for an alternate meeting with the Clubs Coordinator within five (5) working days after the Clubs General Meeting, the club will lose its status. Clubs General Meeting(s) are chaired by the Clubs Coordinator, and advance notice of at least one week is provided to all club Executives.

Purpose:

- a) Familiarize club Executives with the SOP procedures and guidelines
- b) Outline the CSA's expectations of Accredited Clubs to avoid misunderstandings as the year progresses.
- c) Provide an opportunity for club representatives to pose questions regarding the CSA and how Accredited Clubs should operate.
- d) To familiarize club representatives with the CSA Ethical Purchasing Policy in collaboration with the Vice President Student Experience and the Vice President External.

4.3.7 A minimum of one representative from each club must attend an annual CSA-approved Anti-Oppression/Inclusivity Training session or complete the Principles of Belonging training on Courselink. The CSA does however encourage all of its membership to complete this training annually.

4.3.8 A minimum of one representative from each club must attend Student Events & Risk Management (SE&RM) Training organized by the SE&RM Coordinator.

4.3.9 All clubs are encouraged to participate in every day of Club Days. This applies to both the Winter and Fall Semesters.

- 4.3.10** All clubs must have a constitution complying expressly with what is outlined by the Clubs Coordinator, and CSA policy.
- a) Clubs' constitutions must be updated at least every five (5) years.
 - b) A copy of each constitution is kept in the CSA G-Drive archive by the Clubs Coordinator.
- 4.3.11** To ensure that the CSA can contact a club representative at all times, every club shall supply the names, addresses, email addresses, student ID numbers, and phone numbers of their Executive. Please note that two (2) of the Executive and their email addresses shall be indicated as contact information for public release.
- 4.3.12** Every club shall compile and supply a list of their members including names, student ID number and email address. Two-thirds (2/3) of the membership of all clubs must be undergraduate students as defined by the Undergraduate Calendar.
- 4.3.13** Failure to contact the Clubs Coordinator before a deadline about an extension is considered a breach of policy and is sufficient to deny ASO status.
- 4.3.14** All clubs are responsible for their finances and accounting and must abide by the policies outlined in Section 8.0 Financial Operation.
- 4.3.15** A minimum of twenty-five dollars (\$25) per club must be in a CSA Account. The deposit will be kept in an Accredited Club account in the club's name and is refundable at the end of the ASO period.
- 4.3.16** Every club must supply a combined financial and events statement for the previous semester, and a combined financial and events forecast for the current semester being applied for. The financial forecast must include all other sources of income.
- 4.3.17** Persons responsible for financial management of the club and the signing of financial transactions must be indicated. This includes names, email addresses, ID numbers, addresses, and phone numbers.
- 4.3.18** Clubs must inform the CSA Administrative Coordinator and the Vice President Student Experience prior to entering any contracts or agreements.

- 4.3.19** The CSA Clubs Conduct Tribunal, and ultimately, the CSA Board of Directors, reserve the right to revoke or deny ASO status, funding, office space, and other privileges to any club that fails to meet, or acts contrary to the University of Guelph SOP, and CSA policy and bylaws.
- 4.3.20** When a club can no longer remain active for any reason whatsoever, the CSA assumes control of all financials; including the cash and physical assets of the Accredited Club.
- 4.3.21** If a club is planning on being inactive for three (3) semesters or less, cash and property may be placed in trust on their behalf. This requires written notification by the former Executive of the inactive club to the Vice President Student Experience. If notification is not received, or if after three (3) semesters a club remains inactive, all financial assets are absorbed into the CSA Petitions, Delegations, and Representations (PDR) budget.

5.2 Religious, Faith, and World View Based Clubs

All groups supporting religious or spiritual identities on campus that would like to meet on campus to present programs and engage students must be recognized through one of the following processes:

- Accreditation through the University of Guelph Multi-Faith Resource Team (MFRT).
- Accreditation through the Central Student Association (CSA).

5.2.1 Student-led groups, including those who may be supported by an external religious or spiritual advisory committee or a religious or spiritual professional, may apply to be an accredited CSA Club with the Central Student Association.

5.2.2 Student-led groups and any associated religious or spiritual professional(s), are also required to fulfill the following criteria:

- Affirm and commit to the Core Principles for Religious and Spiritual Groups and Religious and Spiritual Professionals at the University of Guelph.
- Where an application is being made with connection to a body external to the University of Guelph, the body must represent a larger supporting religious community, usually a local, regional or national body, if applicable, rather than a single religious congregation. For example, an individual church, synagogue, or mosque cannot apply for recognition and accreditation.

5.2.3 Multi-Faith Programs Appointment & Review Committee

- In both options for recognition that are presented above, applications by groups supporting religious or spiritual identities are reviewed by the University of Guelph Multi-Faith Programs Appointment and Review Committee.

- The Multi-Faith Accreditation, Appointment and Review Committee is comprised of the Coordinator, Multi-Faith Programs; two Core MFRT Members who represent different religious or spiritual traditions; the Director, Student Experience; and other university community representatives as appropriate. The committee reports to the Director, Student Experience. The Committee receives applications on an ongoing basis. For information and application submissions, interested individuals should contact the Coordinator, Multi-Faith Programs.

5.3 Limited Accreditation

5.3.1 With just cause, the Clubs Coordinator will refer issues that may result in the revocation of any Accredited Club privileges to the Clubs Conduct Tribunal. The Tribunal has the right to determine club status and privileges as per Section 7.0 Clubs Conduct Tribunal. Serious offenses could result in loss of accreditation; see section 6.0 Punitive Action.

5.3.2 An Accredited Club which has a privilege revoked is referred to as a **Limited Status Club**. Details regarding the change in status (including cause, privilege loss, length of time) are documented by the Clubs Coordinator.

5.4 Suspension

At times the misconduct of an Accredited Club, or deviation from University or CSA policy may cause harm or abuse to the CSA, individuals within the university community, the University, physical space, or the SE&RM insurance policy.

With just cause, the Clubs Coordinator may place an Accredited Club on suspension and refer the issue to the Clubs Conduct Tribunal, which has the right to determine club status and privileges as per Section 7.0 Clubs Conduct Tribunal.

During a time of suspension, the club deposit and any other monies in possession of the CSA on behalf of the Accredited Club will not be remitted to the student group, but rather held in trust by the CSA. The Accredited Club loses its accreditation status and all rights and privileges associated with it. All club room bookings are cancelled, and events will not be approved through the SE&RM process.

6.0 Punitive Action

Upon the misconduct of an Accredited Club, including their members, the course of punitive action is determined by the Clubs Coordinator as outlined in this section.

Please note that the following also applies to infractions as outlined in Appendix H – Second Floor Student Space Acceptable Use Policy, Section 2.0: Space Infractions.

6.1 Minor Infractions

A minor infraction will result in a letter from the Clubs Coordinator to the Accredited Club including a course of action in response to the problem.

6.2 Major Infractions

A major infraction will result in a letter from the Clubs Coordinator to the Accredited Club. The letter will inform the Accredited Club that their case is to be referred to the Clubs Conduct Tribunal as outlined in Section 7.0 Clubs Conduct Tribunal.

6.2.1 The Vice President Student Experience is responsible for referring major infraction issues to the Clubs Conduct Tribunal for review.

6.2.2 A major infraction is to be defined as an infraction that may result in the removal of club status, demotion of a club to Limited Accreditation, or the partial or entire revocation of club privileges, including club space.

7.4.1 The Clubs Coordinator will refer to the Tribunal any issue pertaining to the accreditation status of Accredited Clubs.

7.4.2 Within two (2) days of notice to the Tribunal, Subject Club(s) are given notice in writing from the Vice President Student Experience of all issues referred to the Tribunal. Notice will state the grounds upon which their accreditation status may be revoked, denied and/or subject to any limitation, or may result in a potential loss of privileges. The letter will be sufficiently detailed to allow the Subject Club to draft a response to the allegations of misconduct and/or failure to comply with applicable policies.

Accredited Clubs are responsible for the management of their materials and the process for renting and/or loaning those materials.
- c) The CSA and the University Centre assume no responsibility for items in the Garage spaces in the event of theft or damages. Money and possessions must be kept secure by Accredited Clubs and their members. Neither the CSA nor the University Centre is responsible for any losses incurred through theft.

The Comfort Room is a room for students to go to when they need a quiet space. It is available to students during times of stress or when they need a private, quiet space to go to, to be able to relax after a negative or difficult situation they have encountered on campus. It is also a space where students can go to obtain resources on services available on campus to assist them in times of need. 10.1 Meeting Room Bookings

- 10.1.1** The CSA Clubs Hallway ('Clubs Hallway') contains bookable meeting room spaces including UC 222, UC 224, UC 225, UC 231 and UC 233.

- 10.1.3** Meeting rooms must be booked in advance using the online booking form or through the CSA Front Office.
- 10.1.4** If an Accredited Club is interested in booking a meeting room outside of regular UC hours, including weekends, a key must be signed out from the CSA Front Office during regular front office hours. The key sign-out process includes a forty dollar (\$40) key deposit and a 24-hour return policy. An Accredited Club that fails to return the key within 24-hours of the agreed upon return time will forfeit their deposit.
- 10.1.5** If an Accredited Club has booked a meeting room and can no longer make that booking, they must notify the Clubs Event Coordinator at least 24 hours in advance. Failure to do so may result in loss of privilege to reserve the bookable meeting rooms.
- 10.1.6** Bookable meeting rooms are a privilege allowed to Accredited Clubs to plan club events and activities, to have club and club Executive meetings, and to promote the club.
- 10.1.7** Bookable meeting rooms are prioritized for Accredited Club-related activities and purposes. Accredited Clubs who have booked a room have priority over the space. Bookable meeting rooms are for Accredited Club-related activities and purposes only.
- 10.1.8** Bookable meeting room spaces, furniture and any other equipment within these rooms are a privilege and are the property of the CSA; nothing may be removed or altered. For example: if an Accredited Club wishes to submit their requests for the Winter semester, they must ensure the Clubs Event Coordinator receives their requests by the last day of classes in the Fall semester.

- 10.1.11** The Clubs Event Coordinator will coordinate the booking requests on a first-come-first-served basis. When submitting requests, Accredited Clubs should provide a few options for date, time and location as no Accredited Club can solely occupy a space. One Accredited Club will not be permitted to book out a single meeting room for all of their bookings for a semester.
- 10.1.12** The Clubs Event Coordinator will compile the schedule for the semester and ensure it is posted to the CSA website and accessible for Accredited Clubs to view by the last day of exams of the current semester.

- 10.2.7** This policy will be reviewed a minimum of every three years to ensure the space is used as effectively as possible.

10.3 CSA Club Offices

Damage and/or vandalism to the CSA Club Offices is to be reported to the Clubs Event Coordinator and the CSA Front Office.

- 10.3.1** The CSA Club offices are designated as UC 270, 271, 272, 536 and 537. These designated club spaces are a privilege available to Accredited Clubs and can be reassigned by the Vice President Student Experience in collaboration with the Clubs Event Coordinator.
- 10.3.2** Office space for Accredited Clubs is intended for club activities and club related purposes only.
- 10.3.3** All Accredited Clubs must maintain a respectful office environment.
- 10.3.4** Accredited Clubs shall be required to submit their office hours by the deadline set by the Clubs Event Coordinator. Inability to do so, or not observing set office hours, or misuse of office space, may result in loss of

office space privileges.

- 10.3.5** Office space is shared between two or more Accredited Clubs. No Accredited Club may solely occupy an office. Exceptions are granted by the CSA Board of Directors in specific cases; see subsection 'Exceptions to Sharing of Office Space' below.
- 10.3.6** The office space, furniture and any other pre-existing equipment in the office is the property of the CSA. CSA property may not be removed or altered without the consent of the Clubs Event Coordinator. Accredited Clubs occupying office space are responsible for damage to CSA property or the office space. Accredited Clubs may bring in their own furniture and equipment if all other organizations occupying the office space agree. The CSA and the UC assume no responsibility for items in the office in the event of theft or damages.
- 10.3.7** Each office is assigned a key which is the responsibility of the clubs occupying the office space.
- a) The cost for a replacement key is fifty dollars (\$50). Repeat offences will result in the loss of office privilege.
 - b) In the case that a key is locked in an office, or a key is misplaced momentarily, the only persons who will open the office door are the Front Office Manager or the President. The only people for whom the office will be opened are the Executives of the Accredited Club(s) occupying the space. There are no exceptions.
 - c) Office security is a matter of cooperation between Accredited Clubs. If no one is in the office, the door must be locked.
 - d) Access to the offices only occurs between the hours of 9:00am to 11:00pm, Monday to Sunday, excluding statutory holidays. Offices are not to be used after 11:00pm.

 - f) Vandalism must be reported immediately to the Vice President Student Experience and Clubs Event Coordinator . The Clubs Event Coordinator will note the situation for the CSA and involve the

University Police.

10.3.8 Applying for Office Space

Accredited Clubs wishing to apply for office space must follow the steps below.

- a) Groups interested in attaining office space must send a Letter of Application, and letters of support, reference, or other materials to the Clubs Coordinator. The letter should explain the reasons why office space is required, how the office space would be used, and how it would benefit the Accredited Club's overall purpose.
- b) The Clubs Coordinator is responsible for managing club office space. Decisions are based primarily on availability of space. The size, needs, and requirements of individual Accredited Clubs is also considered as secondary priorities. Allocation of office space is determined by the Clubs Coordinator after taking into consideration the decision of previous persons who have held the position.
- c) **Office Space Appeals**
Appeals of the Clubs Coordinator's decisions should be discussed with the Vice President Student Experience. If the matter cannot be resolved, it is presented to the CSA Board of Directors. The decision of the Board is final. As office space is extremely limited, club space is not given on a permanent basis and the CSA reserves the right to reassign rooms at any time.

10.3.9 Exceptions to Sharing of Office Space

Accredited Clubs requesting the right to occupy sole office space may discuss the needs and requirements of the Accredited Club with the Clubs Coordinator. If there are grounds for granting the request, a written proposal is submitted to the Clubs Coordinator, who will bring the request before the CSA Board of Directors.

Given the scarcity of space available for clubs, it is unlikely that sole office space will be granted; groups should have alternatives in mind.

10.4 CSA Club Lockers

Preamble

The CSA Locker Storage space (UC 227) is available to Accredited Clubs for

storage of Accredited Club materials only.

This space holds lockers at three different sizes. The space is designed like a horseshoe with the middle of the space providing the only access point, and the other ends of the space providing windows for accessibility and safety.

Accredited Clubs and club members must ensure the safety and security of the lockers and the locker storage space. The CSA and University Centre assume no responsibility for items in the locker spaces in the event of theft or damages.

Damage and/or vandalism to the Clubs Hallway and its spaces is to be reported to the Clubs Event Coordinator and the CSA Front Office.

- 10.4.1** Lockers are assigned to Accredited Clubs at the Clubs General Meeting at the beginning of the academic year (Fall semester) and may be held for one year (12 months).
- 10.4.2** Accredited Clubs wishing to access a locker will fill out the CSA Clubs Locker Storage Access Form ('form') which can be found on the CSA website, or from the Clubs Event Coordinator. Completed forms are submitted to the Clubs Event Coordinator.
- 10.4.3** Lockers are assigned on a first-come-first-served basis. The form is reviewed by the Clubs Event Coordinator who will determine if access to a locker or lockers is granted or denied based on the criteria within the form.
- 10.4.4** If a concern arises regarding accreditation which affects the privilege of an Accredited Club to access the lockers, the Clubs Event Coordinator will refer this matter immediately to the Clubs Conduct Tribunal ('Tribunal'). The Tribunal will then meet within one week of receiving the referral to decide whether the club's form is allowed or denied. The Tribunal's decision must be submitted to the Clubs Event Coordinator within one week of the date the decision is made.
 - a) The Clubs Event Coordinator is responsible for communicating the Tribunal's decision to the club.
- 10.4.5** If an Accredited Club is granted access to a locker or lockers, they are contacted by the Clubs Event Coordinator with information to begin accessing the space.
- 10.4.6** If an Accredited Club is denied access to the locker space by a decision of the Clubs Event Coordinator only, they have the option to appeal the

decision by submitting a formal request outlining their reasoning as to why the decision is being appealed to the Vice President Student Experience who, as a member of the Tribunal, will call the Tribunal to meet to decide on the matter. The Tribunal will then meet within one week of receiving the formal request and decide on whether or not the decision of the Clubs Event Coordinator is upheld, overturned, or amended. The Tribunal's decision must be submitted to the Accredited Club and the Clubs Event Coordinator within one week of the date the decision is made.

a) Appeals of decisions of the Tribunal should be brought to the attention of the CSA Board of Directors.

10.4.7 Once an Accredited Club's form has been approved, a locker (or lockers) is assigned to the Accredited Club. The Clubs Event Coordinator will inform them of the locker number(s) assigned to their Accredited Club for club use only.

10.4.8 Before accessing their locker(s), Accredited Clubs must provide their lock combination(s) to the CSA Front Office. Failure to do so could result in loss of access to the lockers.

a) Accredited Clubs requesting a lock on their CSA Clubs Locker Storage Access Form, must retrieve the lock from the CSA Front Office and ensure the combination is recorded.

10.4.9 Accredited Clubs must reapply every year using the CSA Clubs Locker Storage Access Form to continue accessing the locker assigned to them.

10.4.10 Accredited Clubs who do not reapply for their locker will lose the locker in the upcoming academic year. If this occurs, the Accredited Club is given a date and time to ensure their items are removed from the locker space. Items remaining in the locker space after the designated date and time are disposed of by the CSA.

10.4.11 If an Accredited Club loses its accreditation status, or in the event their accreditation becomes limited or suspended, they may lose access to their locker for the remainder of the academic year.

10.4.12 Accredited Clubs wishing to access more than one locker must ensure they fill out the appropriate fields on the CSA Clubs Locker Storage Access Form. Lockers are assigned on a first-come-first-served basis.

10.4.13 Should an Accredited Club no longer wish to use their assigned locker, they must notify the Clubs Event Coordinator via email as soon as possible.

10.4.14 Access to and use of lockers and locker space is a matter of cooperation among Accredited Clubs and their members. Onus is on the Accredited Clubs and club members to ensure the safety and security of the lockers and the locker space.

10.4.15 Accredited Clubs are held responsible for damage to the locker(s) assigned to them.

10.5 Access to the Garage

Preamble

The Garage (UC 219) is a service available to Accredited Clubs that provide rental or loan services to their members. An application is required for each semester before an Accredited Club is granted access to this space.

The Garage space is not a storage area. This space is solely for materials and/or equipment that Accredited Clubs frequently rent or loan out as a service to their club members. For further information or questions regarding the Garage, contact the Vice President Student Experience and the Clubs Event Coordinator.

Damage and/or vandalism to the Clubs Hallway and its spaces is to be reported to the Clubs Event Coordinator and the CSA Front Office.

10.5.1 Accredited Clubs wishing to access the Garage and Storage Lockers within must complete the Application Form for Clubs Requesting Access to the Garage, which can be found on the CSA website or can be requested from the Clubs Event Coordinator. Accredited Clubs must fill out and submit this application form for every semester that they wish to have access to the space. The application form is submitted to the Clubs Event Coordinator who will determine if access is granted or denied based on the criteria within the application form.

10.5.2 If a concern arises in regard to accreditation which affects the privilege of an Accredited Club to access the Garage, the Clubs Event Coordinator will refer this matter immediately to the Clubs Conduct Tribunal ('Tribunal'). The Tribunal will meet within one week of receiving the referral and make a decision on whether the Accredited Club's application is approved or denied. The Tribunal's decision must be submitted to the Clubs Event Coordinator within one week of the date the decision was made.

a) Decisions made by the Tribunal are final.

- b) The Clubs Event Coordinator is responsible for communicating the Tribunal's decision to the Accredited Club.

10.5.3 If an Accredited Club is granted access to the Garage they are contacted by the Clubs Event Coordinator with instructions to begin accessing the space.

The Tribunal's decision must be submitted to the Accredited Club and the Clubs Event Coordinator within one week of the decision by the Vice President Student Experience.
- b) Appeals of decisions of the Tribunal should be brought to the attention of the CSA Board of Directors.

10.5.5 Arranging Access to the Garage

Once an Accredited Club's application form has been approved, the Clubs Event Coordinator will contact them and outline the following steps for the Accredited Club to begin accessing the Garage space.

- a) The Accredited Club is required to fill out and submit the Club Key Sign Out Form – Access to the Garage and Locker Key(s). Included in this form is a forty-dollar (\$40) deposit which must be provided by the

Accredited Club to receive their keys. This deposit is held in the event that keys are lost or not returned to cover the expense of changing the locks.

- b) Security is a matter of cooperation amongst all Accredited Clubs using the Garage space. The CSA and University Centre assume no responsibility for items in the Garage spaces in the event of theft or damages. Cash and valuables must be kept secure by the Accredited

Clubs and their members. Onus is on Accredited Clubs and their members to record, maintain and secure their cash and valuables. Neither the CSA nor the University Centre are responsible for any losses incurred through theft.

- c) Once the Club Key Sign Out Form – Access to the Garage and Locker Key(s), and the deposit are received, the Accredited Club is provided with two keys: one (1) to access the Garage space and one (1) to access their storage locker. Accredited Clubs will receive access to one (1) storage locker within the space. Accredited Clubs are notified that only Accredited Club members are allowed to access the interior of the Garage space. Security is a matter of cooperation amongst all Accredited Clubs and club members using the Garage space. Every effort must be made to keep all keys secure.
- d) The Clubs Event Coordinator will provide a tour of the Garage, identify the numbered locker provided to the Accredited Club and demonstrate how to securely close down and lock the Garage. Onus is Accredited Clubs' members to ensure all storage within the Garage and the Garage itself are shut down and locked before leaving the space. The CSA and University Centre assume no responsibility for items in the Garage spaces in the event of theft or damage.
- e) Access to the Garage is permitted from 8:00 am to 11:00 pm. No exceptions will be made.
- f) If an Accredited Club using the Garage space fails to complete a new Application Form for access to the Garage for a semester, they are notified by the Clubs Event Coordinator. Club representatives are provided with one (1) week from the date the Clubs Event Coordinator contacted them to provide a completed Application Form. If an Accredited Club fails to provide the form within one week, they may lose access to the Garage space.
- g) If an Accredited Club using the Garage space does not apply for accreditation for a semester, they may lose access to the Garage space. All access to the spaces in the Clubs Hallway, including the Garage, are a privilege available to Accredited Clubs. Accreditation must be received for each semester.
- h) If an Accredited Club feels they require more than one storage locker within the Garage space, they may contact the Clubs Event Coordinator. As space is limited, no one Accredited Club is permitted

to solely occupy space within the Garage. Space is shared among all Accredited Clubs who are granted access to the Garage.

- i) Access to and use of the Garage space is a matter of cooperation among all individual Accredited Clubs and their members. Onus is on Accredited Clubs and club members to ensure the safety and security of the Garage space.

*At the CSA Board meeting on March 27, 2019, **Appendix E: Issues and Organizational Policy** was amended and split into two policies:*

Appendix E: Organizational Policy and Appendix I: Issues Policy.

1.0 Post-Secondary Education Policy

1.1 Post-Secondary Education in Canada

The CSA believes that education exists to serve the needs of society, and the development of the individual. Therefore, education should be organized to meet these needs. This determines what we see as the purpose of post-secondary education. As students we embrace the values that aspire to overcome inequality and promote social change. These values find their realization in a post-secondary education that is concerned with social issues and concerned with its own social impact.

As students, we endorse the need to develop a broad national identity within Canada, an identity which includes the democratic rights of all nationalities. Such endeavors require a higher education that retains and builds upon the best in Canadian culture.

As students, we support the attempts to establish an independent Canadian economy capable of providing for all Canadians. Such an economy must have, as one of its foundations, a post-secondary system that produces skilled personnel and develops excellent research facilities.

Above all, as students we strive, and we join with all complementary efforts, to protect and to extend democratic values within Canadian society. We believe that we need a higher education that expresses these values, preparing its students for critical, democratic participation in every arena of Canadian life.

It is our belief that post-secondary education should not exist to serve the partial interest of any elite. Higher education is subsidized by the people of Canada and therefore must belong to the people of Canada. It is these needs and these beliefs that form our three basic principles: that post-secondary education must be universally accessible; that post-secondary education must be of high quality, and that post-secondary education must be democratically controlled.

1.2. Accessibility to Post-Secondary Education

1.2.1. Discriminatory Barriers to Accessibility

The CSA is committed to universal accessibility to post-secondary education. A society that aspires to overcome social and economic inequality must provide educational opportunities that break social barriers and bypass economic disadvantages. Education is a right, an essential service and it must be available to all persons.

The human rights and social rights of all students and prospective students must be safeguarded. Within higher education there should be no discrimination on the basis of age, race, creed, national origin, language, gender, sexual orientation, marital status, socio-economic status, political affiliation, or disability (as defined by the University of Guelph's Student Accessibility Services (SAS)). There must be no discrimination in post-secondary education for economic reasons. A student's ability to finance a post-secondary education should never prevent access. The CSA is committed to fighting funding systems that include economic barriers to education. Where admissions criteria have exhibited a coincidental bias against any segment of society for academic, cultural or financial reasons, affirmative action programs should be enacted to correct the basis.

1.2.2. Economic Barriers to Accessibility

The CSA is particularly committed to the removal of economic barriers to universal accessibility for international students and domestic students, which are the most tangible impediments to an education available to all. Economic barriers take the form of tuition fees, or inadequate student aid programs, and of high youth unemployment and or other costs associated directly with achieving a post-secondary education.

Tuition fees have statistically been proven a major disincentive to prospective students from low and middle income families. Moreover, tuition fees are a form of regressive taxation. For these reasons, the CSA is opposed to any increase in tuition fees for education, and we call for the progressive abolition of fees. We do not recognize the obligation of the individual to reimburse society for the benefits accorded by higher education.

It is our belief that the most equitable method for meeting such an obligation would be a reformed system of taxation, which would be borne by a student only after graduation, and would therefore not pose an economic barrier to prospective low and middle income students.

For all citizens to have an equal opportunity to participate in post-secondary education, there is the need for student aid and living allowances to meet the real costs of tuition, academic materials, and living expenses. A visible, adequate and equitable student aid program would provide the needy student with assistance for as many years as his-her studies require. It would provide living allowances indexed to the rising cost of living. It would consider students independent of parental support at age 18.

We maintain that a student aid program should give assistance in the form of grants and not loans, which are a disincentive to the very same low and middle

income groups which need the assistance. It should make allowances for the special needs of women, married students, part-time students and single parents. It should be administered with full student input.

Youth unemployment makes it difficult for students to obtain the part-time and summer work necessary to finance their education. In addition, bleak prospects for post-graduation employment discourage less wealthy students from investing time and energy in an education seemingly incapable of providing tangible rewards. The CSA calls for government commitment to the reduction and elimination of youth unemployment.

1.2.3. Social Barriers to Accessibility

The CSA believes that education curricula at all levels of education should foster and reward abilities and skills of all kinds. This is the only path to academic excellence. Careful procedures should be adopted to prevent the development of policies such as “streaming” and “tracking” that contain a strong socio-economic bias.

The CSA understands that a commitment of universal accessibility to education contains an obligation to do more than merely remove the legislative and administrative impediments to free access. Many prospective students are denied access to post-secondary education because of family and peer attitudes. The full promotion of the benefits of post-secondary education will minimize the effect of some of these socio-economic impediments, while others will require a protracted educational effort.

1.2.4. Geographic Barriers to Accessibility

There are still other prospective students who are denied access to higher education because of the geographical unavailability of a post-secondary educational institution or in the case of full-time employees, the geographical unavailability of a part-time studies program. Without the geographic dispersal of these institutions and programs throughout the province and country, accessibility to post-secondary education remains limited. Students should have the choice to live at or near their homes and to accept full time employment without jeopardizing their education.

1.3 Quality of Post-Secondary Education

The CSA is committed to quality post-secondary education. A society which wants a higher education capable of meeting any of its needs requires a quality post-secondary education. The national desire for excellence in all fields of human endeavor and study can only be realized by a quality post-secondary education.

A quality higher education begins with a first-rate academic and support staff and superior equipment and facilities. These features are the foundation blocks of an education that rises above the mass production of diplomas and degrees.

A first-rate academic and support staff is built through careful recruiting that seeks proficiency in one's field, breadth of view, a depth of knowledge that is cross-cultural, and the ability to communicate well with students. It exists where staff is not overburdened to the point where it is unable to provide adequate attention to the individual student. Even first-rate academic and support staff can be rendered ineffective if they lack the necessary complement of equipment and facilities, and adequate compensation for their work.

The value of staff and materials finds expression in academic programs. A well-organized curriculum brings out the best in staff and materials; a poor curriculum can thwart a good teacher or a full-furnished facility.

The CSA believes that a curriculum that builds a quality post-secondary education is neither parochial nor tradition-bound. While retaining the excellence of the past, a quality curriculum must break with the insular "ivory tower" conception of post-secondary education. It should take as its concerns the concerns and needs of the general community. It must be both broad and innovative.

A particular emphasis must be on the development of academic programs that focus on specific community sectors ordinarily ignored within post-secondary education. A broad curriculum must contain programs of Franco-Ontarian studies, labour studies, native peoples studies, non-European studies and women's studies, and furthermore these perspectives must be incorporated into the curriculum of traditional disciplines. Such a broad curriculum must be offered in the French language where need exists. In these and other academic programs democratic input into curriculum determination is essential.

The community-at-large and all shareholders within higher education must play active roles in the formation of the curriculum.

A student body or staff that lacks balance in its composition becomes a factor that undermines the quality of education. An important component of a full education is that it be representative of society at large. When one group is over-represented and another group is conspicuously absent, the education of all suffers.

Thus, the CSA sees strong affirmative action for universal accessibility to post-secondary education and for an international education component in the larger systems as vital elements in a quality higher education, as well as positive enterprises in their own right.

From another perspective the under-representation of Canadian faculty in post-secondary education, and the exceptionally large numbers of American faculty, is a matter for concern.

While we do not support the use of rigid quotas for “Canadianization” of faculty that disregard the general qualifications of academic staff, we do see a need for maintaining, within a broad internationalism, the Canadian character of higher education.

1.4 Funding of Post-Secondary Education

The CSA believes that government policies of restraint and cutbacks have a particularly deleterious effect upon the quality of education. The most innovative academic programs, the equipment in need of maintenance and updating, the new books and journals essential to the preservation of the library collection, the extra hours that facilities are open, the non-academic supports for students, are all vulnerable to underfunding.

The CSA opposes any proposals that advocate tuition fees as a partial or total solution to the problem of post-secondary underfunding. The CSA opposes any attempt or movement towards deregulation of post-secondary tuition fees, and calls for them to be frozen, and for steps to be taken towards their elimination.

The CSA calls on the federal and provincial governments to sufficiently fund post-secondary education by means of a progressive taxation system. The CSA is committed to working at a local level to convince our representatives to both governments to commit themselves to adequate post-secondary education funding.

1.5 Student Aid

The CSA strongly condemns any form of student assistance that inherently discriminates against students due to their social or economic backgrounds, that does not take into account the post-graduation earning potential of students, and that permits a rationalization for the continuation or increase of student fees.

The CSA calls on the federal and provincial governments to institute a progressive system of student aid in the form of grants only, based solely on financial need of the student, not their family, and a realistic assessment of the costs incurred while pursuing a post-secondary education.

2.0 Confidentiality

- 2.1** Confidentiality is a fundamental responsibility for a CSA Director, Executive Officer, and/or staff member. As such, they must act honestly and put the best interests of the CSA ahead of their own interests. It also means that they must avoid or acknowledge conflicts of interest.
- 2.2** Directors, Executive, and staff members have limits on how they share information and with whom they may share it. Maintaining confidentiality also means that they must maintain the confidentiality of any person or sensitive information that they acquire during their service to the Board and CSA.

- 2.3** A breach of confidentiality may happen for a variety of reasons including but not limited to:
- 2.3.1** Disclosure of confidential information;
 - 2.3.2** Disclosure of personal information, and
 - 2.3.3** Conflicts of interest.

In keeping with their duties, Board members shall not disclose information that they have received as a result of their position on the Board and shall not make improper use, either directly or indirectly, of any confidential information received.
- 2.5** Directors, Executive, and staff members have a large network of constituents, associates and other individuals to which they may have loyalty. While this is positive, it may cause a conflict of interest if a Director, Executive Officer, and/or staff member shares information that they have gained as part of their position or employment.
- 2.6** Directors, Executive, and/or staff members may suffer consequences if a breach of confidentiality occurs, whether it happens unknowingly or not. 3.0 Protection of Privacy and Access to Information

Preamble

As a functioning not-for-profit corporation, the CSA respects and abides by the Freedom of Information and Protection of Privacy Act, as specified by the

provincial government of Ontario. At all times, the President and Human Resources and Operations Manager shall be familiar with the current rules/regulations regarding privacy and information.

3.1 Definitions

For the purpose of this policy:

“Records” means any information stored within the CSA, whether in electronic, print or any other form.

“Personal information” means any information that is recorded within the CSA about any individual.

“Confidential nature” means any information protected under the Charter of Rights and Freedoms of the government of Canada; home address, phone number or e-mail address; correspondence between individuals of a private nature; or opinions about an individual made by another.

“Secure” means stored in a place that is inaccessible to the public and protected in a reasonable manner.

“Consent” means knowingly and freely giving information for use by another for reasons that are known or ought reasonably to be known.

3.2 Principles of Privacy and Access

The CSA believes that every individual has the right to access information kept pertaining to their self. Each individual also has the right to privacy when information of a confidential nature is given to the CSA.

3.3 Public Access to Information

The CSA upholds that all information in its possession is open to the public, unless information relates to:

- 3.3.1** Personnel: The files of the staff members of the CSA shall not be available to the public or to other parties unless the staff member consents to disclosure.
- 3.3.2** Ongoing economic interests: Any information regarding plans, proposals, or other information that may jeopardize current contract or other negotiations with outside groups.

- 3.3.3** Confidential information: Any personal or other information that was given to the CSA with implicit or explicit confidence.
- 3.3.4** Conflict resolution/Law enforcement: Any information regarding internal or external conflict resolution or information regarding ongoing or confidential legal matters.
- 3.3.5** Deliberative processes: Information expressed in confidence during a decision-making process, such as an in-camera discussion of the Board of Directors.

3.4 Personal Information

All information of a personal nature may be accessed by the individual to whom it pertains only. To request a copy of records held by the CSA regarding an individual's personal information, a request form must be filled out and delivered to the Executive member responsible for the requested record. Personal identification must also be presented before information shall be disclosed. The Executive must fulfill every request for personal information unless:

- 3.4.1** If the person requesting the information is not the individual to whom it pertains, the Executive member shall not permit access.
- 3.4.2** If records pertaining to one individual hold confidential information about another, the Executive member will make arrangements to present the information without disclosing other confidential information.

 - a) An award such as, but not limited to, the Tenant of the Year Award or the Teaching Excellence Award.
 - b) Performance evaluation of a staff or volunteer member.
- 3.5.2** Whenever personal information is collected, the collector will inform the individual of the purpose of collection, what is being collected, how long

the information will be kept, who has access to the information, how the information will be used and how the individual may have access to this information (including how to file a complaint). An informative pamphlet will be available regarding the practical rules and procedures of the CSA around personal information.

4.0 Special Projects

4.1 Given that the CSA exists to address issues of concern to students, and given that the CSA has resources that may not be available to other campus or Guelph groups, from time to time the CSA may institute a project or initiative designed to correct some inadequacy or deficiency within the university, or within the City of Guelph.

The following considerations should apply:

- 4.1.1 The project is designed to serve the students of the University of Guelph.
- 4.1.2 Financial support must be viable and available. The CSA should investigate the possibility of external funding partners.
- 4.1.3 Project management should be instituted in such a manner that it is feasible to administratively continue its implementation from year to year (unless the project is a one-time occurrence).
- 4.1.4 The CSA should consider the evolutionary step of making projects self-administrative after it is demonstrated that the project is sustainable (Jan. 1994).

5.0 University Centre Board

5.1 Preamble

The University Centre Board of Directors is mandated with managing the operations of the University Centre (UC). As a central building used by students on campus for organizational and social space, and as a building that was built and continues to be funded by student fees, the CSA believes that the University Centre should be controlled by students. The current University Centre Board of Directors structure has a majority student membership, which has undergraduate members appointed on behalf of the CSA.

In order to implement student interests at the University Centre Board of Directors, the CSA will appoint ten undergraduate representatives to the University Centre Board. These representatives will follow and abide by the “Acknowledgement and Undertaking Regarding Confidentiality and Conflict of Interest” document set out by the University Centre Board. Undergraduate representatives will not be forced or told to vote in a block but will formulate their own opinion and vote in the best interest of the University Centre, the University Centre Board, and the undergraduate students.

5.2 Appointments

- 5.2.1 To ensure a broad-based cross-section of student representation to the University Centre (UC) Board, the Vice President Student Experience will post a call for applicants interested in sitting on the University Centre Board of Directors. The call must be posted for a minimum of one week on the website and distributed via mass email.
- 5.2.2 The Vice President Student Experience and two (2) Board of Director members will select, from the applications received, representatives to fill any vacancies on the University Centre Board of Directors. The CSA Board shall ratify these members.
- 5.2.3 The criteria for selecting candidates shall be as follows: understanding of issues of student space, understanding of being an undergraduate student representative, relevant experience to the position, understanding of the role of the University Centre Board of Directors and ability to fulfill the time requirements expected.
- 5.2.4 Appointments to the University Centre Board of Directors shall be for a term of two (2) years, as defined by the University Centre Board of Directors Constitution.

5.3 University Centre Board Undergraduate Student Representatives (UCBUSR)

- 5.3.1 The University Centre Board Undergraduate Student Representatives (UCBUSR) shall consist of UC Board student members and alternates.
- 5.3.2 UCBUSR is expected to make regular reports to the CSA Board of Directors.
- 5.3.3 UC Board members are expected to attend all University Centre Board of Directors meetings, and sub-committee meetings. For those circumstances where a member cannot attend a UC Board meeting,

they must contact the Vice President Student Experience at least 24 hours before the meeting date. The Vice President Student Experience will then reach out to UC Board alternates, who will then be expected to attend the UC Board meeting on behalf of the absent member.

- 5.3.4** The UCBUSR will meet as a group to discuss the student perspective in regard to the University Centre before all meetings of the UC Board. These meetings will involve discussions amongst the student representatives (both UC Board members and alternates) in a student-based environment prior to UC Board meetings. At these meetings reports will also be prepared for the CSA Board of Directors. These meetings are for discussion purposes only. Representatives will not be forced or told to vote in a block but will formulate their own opinion.
- 5.3.5** The Vice President Student Experience shall chair the UCBUSR meetings.
- 5.3.6** For UCBUSR meetings, all members (voting and alternates) are expected to attend in order to remain informed and knowledgeable of the matters before the UC Board.

5.4 CSA Position on the University Centre Board

- 5.4.1** The Vice President Student Experience, on behalf of the CSA Board of Directors, will submit a letter in writing to the University Centre Board of Directors no later than the second University Centre Board of Directors meeting. The letter will contain a copy of CSA UC Board of Directors policy, and the following CSA requests and positions:
 - a) To recognize that the student members of the University Centre Board of Directors are representatives of the CSA and by extension undergraduate students.
 - b) To recognize these positions are learning based positions for students and to facilitate a process to allow students to fully participate and engage in all aspects of the University Centre operations.
 - c) The University Centre Board of Directors allow the CSA to appoint student representatives and alternatives at any point if there is a vacancy.
 - d) To recognize the CSA Board of Director's ability to recall appointed

representatives and to seriously consider letters from the CSA Board of Directors calling for the de-ratification of appointed students.

5.5 CSA Board of Directors Directives

5.5.1 The CSA Board of Directors, as the appointing body, has the ability to give suggestions to the University Centre Board Undergraduate Student Representatives (UCBUSR) through the Chair of UCBUSR.

Suggestions may be given for the following reasons:

- a) The CSA Board of Directors deems the issues to be of significant importance to student interest.
- b) The CSA Board of Directors wishes to make its views known publicly.

5.6 Reserved Rights of the CSA Board of Directors

5.6.1 The CSA Board of Directors reserves the right to:

- a) Appoint members to the University Centre Board of Directors seats that it controls, without consultation with the University Centre Board of Directors.
- b) Expect University Centre Board Undergraduate Student Representatives (UCBUSR) to represent student interest and uphold the CSA Policy Manual, Appendix J – Internal CSA Policy, Section 5.0 – University Centre Board at the University Centre Board of Directors meetings.
- c) Expect regular reports from the University Centre Board Undergraduate Student Representatives (UCBUSR).
- d) Expect all University Centre Board of Directors student members, both voting and alternate, to resign from the University Centre Board of Directors if they are no longer available to fulfill the requirements of the position.
- e) Expect alternate members of the University Centre Board of Directors to remain informed about current issues facing the UC and to ensure a full contingent of student representatives is present at each meeting of the University Centre Board of Directors.

- f) Expect University Centre Board Undergraduate Student Representatives (UCBUSR) members to bring issues they define as significant to the CSA Board of Directors for discussion and feedback.
- g) Expect all UCBUSR members, both voting and alternate, to attend meetings of the UCBUSR.
- h) Expect alternate members to check their email regularly for notice from the Vice President Student Experience that an alternate member is required to attend a University Centre Board Meeting when a voting member is unable to attend.

5.7 Recall of UCBUSR Members

- 5.7.1** A decision of the CSA Board of Directors to recall an appointed member of the University Centre Board Undergraduate Student Representatives (UCBUSR) may be initiated following a two-thirds (2/3) majority vote of the CSA Board of Directors after presentations from the member in question and, if desired, the UCBUSR.
- 5.7.2** After a successful vote, a letter will be sent to the student member, asking for their resignation. Another letter will be sent to the University Centre Board of Directors outlining the situation and a proposal to discuss de-ratification of the member in question.

6.0 Dietary Policy

- 6.1** Healthy food options and, whenever possible, local food options are to be made available at all CSA and CSA sponsored events where food is served.
- 6.2** Vegan and vegetarian options shall be made available at all CSA events and meetings where food is served. Every effort shall be made to include gluten-free, lactose-free, kosher and halal options and shall be made available at all CSA events and meetings where food is served.
- 6.3** One or more of the options may be removed if the people being served agree unanimously.
- 6.4** An adequate amount of options may be served to ensure that people of all dietary preferences receive sufficient portions.

6.5 The CSA shall include an invitation to request foods that accommodate various dietary allergies and needs in the promotional items and any event where food is served. Should a request for accommodation be made, the CSA shall honour that request.

7.0 E-mail Policy

7.1 The CSA represents all undergraduate students at the University of Guelph and needs to work towards disseminating information in an effective fashion that gives all students equal knowledge and opportunity to be active members.

7.2 Because the University's "official form of communication" with all patrons of the University is through webMail, one of the most effective modes of communicating with students for the CSA would be the same.

7.3 The set-up and maintenance of these services, should the CSA choose to use them, shall be the responsibility of the Front Office Manager.

7.4 There are three (3) forms of mass e-mail available to the CSA, provided by the University of Guelph:

7.4.1 Mass E-mail

This mode of communication is for critical e-mail's that must reach all current students. Some of these issues include, but are not limited to, job postings, Annual General Meetings, Dental or Health Plan updates and Bus Pass updates.

7.4.2 High Volume E-mail

This mode of communication is a self-directed service for event announcements, campaign updates, general announcements and matters that are not of a critical nature.

7.4.3 Listserv

This mode of communication is opt-in only and is therefore not effective when attempting to communicate with all undergraduate students. However, this mode is very effective for small groups, committees, or clubs who wish to have discourse or communication with their members.

7.5 All forms of electronic forms of mass communication will abide by CSA and University policy including, but not limited to, the CSA By-Laws and Policy Manual, the University of Guelph Human Right Policy and Mass E-mail Policy.

7.6 Each mode of communication has different set-up, maintenance responsibilities, and guidelines.

7.6.1 Mass E-mail Set-Up

- a) To send a mass e-mail, the President will send the e-mail to the Office of Student Affairs.
- b) The Office of Student Affairs and CCS guarantee that the email will then be passed on to the target body within five working days.
- c) The mass e-mail will not be passed on if the contents are not approved, in which case, the office of Student Affairs will return the e-mail to the President with concerns to be addressed.

7.6.2 Mass E-Mail Maintenance

There are no maintenance requirements for this mode of communication.

7.6.3 Mass E-Mail Guidelines

The mass e-mails will abide by all policies outlined in this policy.

7.6.4 High Volume E-mail (HVM)

a) General Information

8.0 Ethical Purchasing

8.1 Preamble

The Central Student Association (CSA) is committed to upholding the values and principles of Ethical Purchasing. Recognizing that oppressive working conditions are the reality of workers worldwide, the CSA is committed to bringing these issues to light and standing in solidarity with workers both locally and internationally in their struggle to have fair and just working conditions. In addition, the CSA is committed to being a more sustainable organization by making environmentally conscious purchases.

We recognize that by changing the way we purchase, we are contributing to the overall demand for ethically made products; this in turn benefits the global health of workers and the environment.

The purpose of this policy is to ensure that the CSA and all services, clubs and organizations accredited through this organization are making environmentally sound purchases and supporting workers locally and internationally by purchasing from suppliers that maintain a positive and ethical working environment.

8.2 Definitions

- e) Facilitating the creation and maintenance of the CSA's List of Ethical Suppliers in collaboration with the Vice President, Student Experience and the Promotional Services & Graphic Designer.

8.5.6 Non-Compliance

This informal warning will be kept on file but will be removed after 18 months if the purchaser improves their purchasing practices.

12.0 Social Media Policy

The Central Student Association requires a cohesive and recognizable brand to ensure the organization and its' services can properly engage with the undergraduate student body, and to provide transparency and accountability regarding the ongoings of the CSA. Social media has become an integral part of the outreach efforts to students regarding CSA activities and initiatives. In order to build a connection with the membership on how the CSA represents them and to communicate effectively on these platforms (e.g., Instagram), proper guidelines have been established.

These guidelines must be provided to all staff members electronically during their onboarding training and reviewed at the CSA Staff Orientation training session.

12.1 CSA Primary and Service Accounts

12.1.1 CSA social media accounts are designed to promote all activities of the CSA and to engage directly with the membership.

12.1.2 The following guidelines apply to all CSA Accounts:

- Accounts may be used to share promotions of other campus initiatives.
- Templates have been created and must be used for all CSA services.
- All posts and stories must follow the CSA Brand.
- All posts must be designed by the CSA Promotional Services Coordinator.
- All posts must be collaborated with the @csaguelph account.

- Stories must also be designed by the Promotional Services Coordinator, except for videos, pictures, and reshares; brand assets must still be used. These stories must be of value to students and be pre-approved by the CSA President in writing.
- For approved platforms, stories are permitted to be posted by service coordinators without prior approval, provided the CSA branded template is used and the story is related to a brief service announcement or a live update from a service event.
- No additional primary accounts shall be created without the Executive Committee's written approval.

CSA Rules of Order

Note: Amendments were last made to the CSA Rules of Order on July 2, 2025, as adopted by the Board of Directors.

1.0 Quorum for CSA Board of Director Meetings

1.1 Counting Towards Quorum

- 1.1.1 To be counted towards quorum at the Board of Director Meetings, a Board Member must have the right to vote.
- 1.1.2 For an elected “At-Large” representative Board Member to be counted towards quorum, the election results confirming their election must be ratified at the Board of Director Meeting following the close of the Auditing/Recounting process.
- 1.1.3 For an appointed College government and/or Student Organization Board Member to be counted towards quorum, they must be ratified at a Board of Director Meeting.

1.2 Fall and Winter Terms

- 1.2.1 Quorum shall be half of the total number of voting members of the Board of Directors as a whole, only in such instances as when all of the Board of Director positions are filled and appointed.
- 1.2.2 The Board of Directors as a whole consists of 37 Board Member positions. Of these 37 Board Member positions, 33 positions hold the right to vote. Therefore, as per point 1.2.1, quorum would be 17 members if all Board Member positions are filled and appointed.
- 1.2.3 In situations where not all of the elected positions on the Board are filled (i.e. At-Large representatives) and/or not all of the appointed positions (i.e. College governments and Student Organizations) are known to the Policy & Transition Coordinator (PTC), quorum shall be half of the total filled and known voting Board Member positions. For example, if 17 voting Board Member positions are filled and appointed, quorum will be nine voting Board Members (rounding up to the nearest whole number). At all times, quorum must be a minimum of three members.
- 1.2.4 The Board of Directors as a whole consists of 37 Board Member positions. Of these 37 Board Member positions, four positions consist of the Executive Officers of the CSA. These Executive Officers are the President, Vice President Student Experience, Vice President Academic and Vice President External.

The Executive Officer positions are hierarchical, non-voting members of

the Board of Directors. Their roles provide vital insight to the Board on operational matters and structural issues, and they can speak to effects of decisions made by the Board on the CSA, its staff, volunteers and services. They also provide reports and recommendations to the Board. It is essential for Board of Director Meetings to have these individuals present at meetings. As a result, to be included in quorum as per point 1.2.1, at least two Executive Officers must be in attendance, one of which must be the President. When the President is unable to attend, all three Vice Presidents must be present to meet quorum.

1.2.5 In the event of an Executive Officer position becoming vacant, a majority of filled Executive Officer positions are required to meet quorum.

1.2.6 Proxies or alternates shall not be allowed for quorum or for voting.

1.3 Summer Term

1.3.1 Quorum during the Summer Term, as defined as May 1st through to August 31st, shall be a third of the total number of voting members of the Board of Directors as a whole, only in such instances as when all of the Board of Director positions are filled and appointed.

1.3.2 The Board of Directors as a whole consists of 37 Board Member positions. Of these 37 Board Member positions, 33 positions hold the right to vote. Therefore, as per point 1.3.1, quorum would be 11 members (rounding to the nearest whole number) if all Board Member positions are filled and appointed.

1.3.3 In situations where not all of the elected positions on the Board are filled (i.e. At-Large representatives) and/or not all of the appointed positions (i.e. College governments and Student Organizations) are known to the Policy & Transition Coordinator (PTC), quorum shall be a third of the total filled and known voting Board Member positions. For example, if 17 voting Board Member positions are filled and appointed, quorum will be six voting Board Members (rounding to the nearest whole number). At all times, quorum must be a minimum of three members.

1.3.4 The Board of Directors as a whole consists of 37 Board Member positions. Of these 37 Board Member positions, four positions consist of the Executive Officers of the CSA. These Executive Officers are the President, Vice President Student Experience, Vice President Academic and Vice President External.

The Executive Officer positions are hierarchical, non-voting members of the Board of Directors. Their roles provide vital insight to the Board on operational matters and structural issues, and they can speak to effects of decisions made by the Board on the CSA, its staff, volunteers and services. They also provide reports and recommendations to the Board. It is essential for Board of Director Meetings to have these individuals present at meetings. The Executive Officers fulfill the same duties and time commitments during the Summer Term as they do during the Fall and Winter Terms. As a result, to be included in quorum as per point 1.3.1, at least two Executive Officers must be in attendance, one of which must be the President. When the President is unable to attend, all three Vice Presidents must be present to meet quorum.

- 1.3.5** In the event of an Executive Officer position becoming vacant, a majority of filled Executive Officer positions are required to meet quorum.
- 1.3.6** Unless Fall and Winter Terms quorum is reached (point 1.2.1), there shall be no amendments to the CSA Rules of Order or Bylaws.
- 1.3.7** Matters involving policy shall be permitted but will require the same procedure as set out in Bylaw 4 – Policy of the CSA. Further, matters involving vital operating decisions will be conducted within the Summer Term quorum, including budget matters that are of a time sensitive matter. Budget matters will be required to follow procedures as laid out in Bylaw 1 – Organizational, Section 12 – Adoption and Amendments of Bylaws.
- 1.3.8** Proxies or alternates shall not be allowed for quorum or for voting.

2.0 Speakers List

- 2.1** The CSA Board of Directors tries to operate through the lens of gender parity. This means Board members, Executive, staff, and those present should strive towards acknowledging the topic of discussion, and the voices that would be most suited to speaking on the issue. This includes acknowledging the amount of space they are taking up on the speakers list.

For example, this would mean that a topic revolving around gender neutral bathrooms should include mostly voices from gender-oppressed peoples. Board members or Executive are encouraged to raise a Point of Order if they feel as though this mandate is not being followed by others at the table.

2.2 The CSA speakers list will prioritize first-time speakers.

3.0 Efficiency of Board Meetings

In order to facilitate efficient Board Meetings, the following conditions shall be kept:

- 3.1** All submissions, with the exception of new business, shall be in writing and emailed to Board of Directors 48 hours prior to a Board Meeting; otherwise that business shall be omitted from the agenda. The Policy & Transition Coordinator shall be responsible for the creation of the Board packages.
- 3.2** There shall be no reading of reports, policies, etc., that are in the Board packages. Exceptions can be made for accessibility purposes at the discretion of the Chair. All whereas clauses, preambles and motions are to be read aloud before the vote. The Board may vote to omit the reading of preamble/whereas statements with unanimous consent on a per item basis.
- 3.3** Visitors shall be allowed to speak following a motion to extend speaking rights to everyone in the room.
- 3.4** Speaking times shall be limited to three minutes per person per time on the speaker's list. Should a speaker go past the limit, the Chair shall notify them. The speaker may continue to speak past their limit at the discretion of the Chair. If a speaker has more to say, they must ask the Chair to be put back on the speaker's list.
- 3.4.1** If someone is expecting to speak longer than three minutes for the purposes of explaining pertinent details to the Board of Directors, they may request more time from the Board of Directors. This request must be made at the start of their scheduled time and is put straight to a vote. There will be no debate on this vote other than the speaker's motivation. It is a simple majority vote.
- 3.5** In discussion, there shall be no repetition of comments. If a person should repeat a statement previously made, they may be ruled out of order by the Chair.
- 3.6** New Business items must be time sensitive or emergency in nature. All new items brought forth at the time of a Board meeting may only be discussed under New Business.

Time Sensitive is to mean Business items that include information or proposed action that if not received or acted upon by the Board of Directors prior to the next scheduled Board meeting, will be irrelevant or will render the organization unable to act at all in regard to the subject of the Business item.

Emergency is to mean Business items that contain action or information that must be acted upon immediately (i.e. before the next scheduled board meeting), to prevent or mitigate damage or loss to the corporation, persons in the employ of the corporation, or to comply with legislation that the corporation will be in violation of if said action is not taken. This can include events that cause physical damage as well as those that disrupt the ability of the corporation to maintain operations.

3.7 All motions, not written and included in the Board package are to be projected on a screen by overhead or LCD projector so that members may view them during discussion and voting. All motions are to be read aloud prior to voting.

3.8 Oral reports are not permitted.

3.9 Any presentations to the Board of Directors are to be submitted in the Board package, and presentations will be given a maximum of ten minutes to present. Presentations that are not submitted in the Board package will only be allotted a maximum of five minutes to present. This time may be extended by a motion of the Board of Directors requiring a two-thirds majority.

3.9.1 The length of a presentation may also be extended or shortened by a motion at a Board of Directors meeting prior to the presentation, as long as notice of that presentation is given in time.

3.10 Meetings will be no longer than five hours in duration including all breaks and recesses duly called by the Board. Meetings may be extended beyond five hours only following a two-thirds vote of the Board of Directors where debate shall be limited only to the length of the extension.

3.10.1 Any remaining items on the agenda at the expiry of the first five hours of meeting time, will be placed on the agenda of the next regularly scheduled Board meeting under Unfinished Business.

3.11 Roll Call Vote

3.11.1 When a roll call vote is required, the Chair shall first ask all members abstaining to indicate their vote, and keep it indicated until the Chair calls their name for the Scribe to record. The Chair shall then ask all

members in favour, and then all members opposed, to do the same. The final numbers and result will be announced by the Chair and recorded in the minutes. Should any Member present not vote, they will be recorded as an abstention.

3.11.2 Roll call votes shall be used for any changes to the CSA Bylaws.

3.11.3 A member may move a roll call vote prior to voting on a main motion, which must be approved by a minority of three voting members. This request may be made after the speakers list has been closed.

3.12 Secret Ballot Vote

3.12.1 In-Person Meetings

When a secret ballot vote is required during an in-person meeting, the Policy & Transition Coordinator will distribute a paper ballot to each voting member. Members will indicate their vote, including abstention, on the ballot. Ballots will be collected by the PTC and counted by the Chair. The ballots will be kept anonymous.

Any member may act as a scrutineer for the counting of ballots. The final result will be announced by the Chair and recorded in the minutes.

3.12.2 Virtual Meetings

When a secret ballot vote is required during a virtual meeting, the following procedure will be used to preserve voter anonymity:

- a) The Policy & Transition Coordinator will create a Microsoft Form including the question(s) and response options, using the following settings:
 - 'Who can fill out this form' settings shall be set to 'Specific people from my organization can respond'
 1. 'Record name' option shall be turned off (unselect to maintain voter anonymity).
 2. 'One response per person' option shall be turned on (selected).
 - ii. 'Response receipts' options shall be set to:

1. 'Allow receipt of responses after submission' shall be turned on 'selected', so that qualified voters receive a confirmation email that they voted, and what they voted for.

2. 'Get email notification of each response', so that the PTC is notified of each anonymous vote.

- In the 'Share' tab, under "Send and collect responses", shall be turned on (selected) 'Specific people in my organization can respond'.
 - The PTC will enter the email addresses of all qualified voters under the "Specific people in my organization can respond" field.
 - The PTC will set the 'Share to collaborate' settings to 'Specific people in my organization can view and edit' and will share with the Chair only.
- b) Once the form is complete, the PTC will share a link for members to vote.
- c) Members will indicate their vote, including abstention, on the ballot.
- d) A screen showing the anonymous results can be shared by the PTC, Chair or other member as designated by the Chair.

3.12.3 A member may request a secret ballot vote prior to voting on a main motion, which must be approved by a majority vote. This request may be made after the speakers list has been closed.

3.12.4 A secret ballot vote shall be used for any item where the Board chooses between candidates for hiring or a CSA election.

3.13 Suspending the Rules of Order

3.13.1 For the suspension of the Rules of Order, the procedures outlined in Robert's Rules of Order shall be followed with one exception. Where Robert's Rules of Order require a two-thirds vote to suspend the rules, instead a three-fourths vote is required.

4.0 Meeting Accessibility

Preamble

The CSA is committed to breaking down barriers to accessibility and demonstrates its commitment by implementing the practices outlined in this policy at our regularly scheduled meetings of the Board of Directors.

- 4.1** The Policy & Transition Coordinator shall be responsible for ensuring the following:
 - 4.1.1** All written documents shall be available in alternative formats prior to meetings including but not limited to audio, large print, electronic, or Braille, upon request.
 - 4.1.2** All motions are projected by overhead or LCD projector during voting so that members may read what they are being asked to vote on.
 - 4.1.3** Any additional accommodations requested by Board members or guests are implemented in an appropriate and confidential manner.
- 4.2** The External Chair shall be responsible for ensuring the following:
 - 4.2.1** Any documents circulated at meetings are read aloud and that recesses are requested, where appropriate, to allow members to read documents before being discussed.
 - 4.2.2** All motions are read aloud before members are requested to discuss or vote on them.
 - 4.2.3** Any additional accommodations requested by Directors or guests are implemented in an appropriate and confidential manner.
- 4.3** The Vice President Academic will act as a resource and be responsible for liaising with the External Chair and Policy & Transition Coordinator regarding all Board Meeting accessibility needs and concerns.
- 4.4** Individuals requiring accommodations not explicitly outlined in the above policy may contact the Vice President Academic to make appropriate arrangements.
- 4.5** Participants should not feel they must disclose their disability in order to fully engage in meeting business. Every effort must be made to ensure that the confidentiality of members' accessibility needs is not disclosed at the Board level.

5.0 Challenging the Chair

- 5.1** A member of the Board may challenge the Chair if it is felt that the Chair has made a ruling, which contravenes CSA Rules of Order. If a challenge is made, the Chair passes control of the meeting to another member, generally the President, and defends the ruling. The challenger then gives reasons for the challenge. After debate a vote is taken to sustain the Chair's ruling.
- 5.2** If the ruling is not sustained, a vote is then taken on whether or not the error merits dismissal of the Chair for the remainder of the meeting. If so the President or another member chosen by the Board will facilitate the remaining agenda items.
- 5.3** If the Chair is asked to leave the meeting, then an agenda item may be added at the end of the meeting at the request of any Board member to discuss the potential permanent removal of the Chair. This discussion will be held in camera.

6.0 In-Camera Policy and Procedures

6.1 Background

A motion to move in-camera is made when there are matters to discuss that cannot be made public. All debate in-camera is strictly confidential because its content may violate an individual's privacy and/or harm the corporation.

This has been the traditional understanding of the in-camera session within the Board of Directors, and members of the Board have respected and obeyed it. The importance of confidentiality is, however, important enough to necessitate the establishment of a clear set of guidelines outlining the repercussions faced by any individual breaking this confidence.

Since it is more difficult to monitor and address the actions of non-directors, visitors should be allowed to attend an in-camera session only if their presence is necessary and with a majority vote of the Board of Directors. Non-directors and visitors shall sign a Confidentiality and Conflict of Interest Agreement before participating and/or presenting in an in camera session.

6.2 In-Camera Session

- 6.2.1** The board may enter an in-camera session if an item will violate an individual's privacy and/or harm the corporation through a simple majority vote. This can include, and is limited to:

- a) Human Resources matters;
- b) Legal proceedings;
- c) Approving past in-camera minutes;
- d) Financial matters;
- e) Other items that will harm the corporation, at the discretion of the Chair.

6.2.2 If the item does not meet any of the requirements listed in 6.2.1, the board may enter an in-camera session by a motion which can be defeated by a protected minority vote of 3 opposed.

6.3 In Camera Minutes

6.3.1 In-camera minutes shall be recorded at any time the Board decides to move in camera to discuss an agenda item.

6.3.2 The Board Scribe and Policy & Transition Coordinator shall be included in in-camera sessions to be the official recorders of the minutes and motions that arise from in-camera sessions.

- a) The Board Scribe and Policy & Transition Coordinator shall not be included in in camera sessions where the topic of discussion pertains to any staff, Director, or Executive Human Resources issue. Exceptions can be made in cases if they are privy to the subject by virtue of their position.
- b) In the absence of both the Board Scribe and Policy & Transition Coordinator, the Secretary of the organization will complete the in-camera minutes. In the absence of the Secretary, another Executive shall be designated the scribe by the President.

6.3.3 Any Director, including an Executive Officer, who is currently ratified to the Board of Directors, shall have access to any approved in-camera minutes stored by the organization by contacting the Policy & Transition Coordinator.

- a) The Board Chair shall also have access to in-camera minutes.
- b) The Board of Directors shall have the power to grant access to in camera minutes, either in full or in part, to anyone not previously mentioned by a two-thirds majority vote.

- 6.3.4** A copy of the in-camera minutes shall be displayed on the projected screen in-camera at a subsequent Board Meeting to be approved by the Board by a simple majority vote.
- 6.3.5** All motions decided during in-camera sessions shall be recorded in public minutes.
- 6.3.6** In-camera minutes will be stored electronically by the Policy & Transition Coordinator.
- 6.3.7** The minutes from in-camera sessions entered that do not meet the requirements of 6.2.1, can be publicized by two-thirds majority vote of the Board. Minutes from in-camera sessions that do meet the requirements listed in 6.2.1, cannot be publicized.

6.4 Procedures Following Accusations of a Breach of Confidentiality

- 6.4.1** All accusations of a breach of confidentiality must be made to the Chair of the Board via email.
- 6.4.2** A brief presentation of the allegation shall be made by the Chair at the first Board Meeting following knowledge of the allegation. This shall take place under New Business. This presentation shall not include the names of any of those involved, or any information that would directly lead to the identity of any of those individuals.
- 6.4.3** The Board shall then appoint a committee to hear the allegations. The committee shall consist of four Board members. Although not necessary, it would be beneficial to have the Chair of the Board also sit on this committee. This committee shall meet within three days of this Board Meeting and must make a presentation at the next Board Meeting. Hopefully, this report will lead into a full hearing into the case. If, however, the committee feels that it must have more meetings, the matter can be deferred to (but no later than) the next Board Meeting after that.

The purpose of this committee is not to bring forward recommendations to the Board of Directors. Instead, this committee is designed to ensure that the person accused of the breach in confidence is fully aware of all the accusations against them. It is also an opportunity for the accused to plead their case to their accuser(s) that no breach had occurred on their part. If they are successful, the committee would simply report to the Board that the issue has been resolved.

Committee members will also take this opportunity to review the evidence against the individual in question and recommend to their accuser(s) any additional information that the Board may ask for.

Hopefully, the committee will be able to ensure that all of the relevant information is brought to the Board. It will ensure that the accused has sufficient time to prepare their case. This will aid in the fair treatment of the accused, as well as ensure that a more organized and thorough discussion can take place at the Board level.

- 6.4.4** When the case is brought to the Board by the committee, all proceedings shall move in-camera.

6.5 Order of Proceedings

- 6.5.1** The Chair of the committee shall make a brief introduction. First, they shall state the charge that has been made. Second, they shall outline the procedures that the committee followed to assure the Board that the committee has acted properly.
- 6.5.2** The person(s) charging a breach of confidence shall present all their evidence. They may not present any information that the committee and the accused have not heard. If this evidence is presented, the proceedings shall come to an immediate close.
- 6.5.3** The accused shall then have the opportunity to defend themselves. They too may not present any evidence that has not been heard before the committee.
- 6.5.4** The Board of Directors shall then deliberate on the matter and reach a decision as to whether or not the accused has violated the confidence of the in-camera session. The Board must decide at the first regularly scheduled meeting after the committee has finished meeting.
- 6.5.5** If found to have breached the confidentiality of an in-camera session, the person(s) in question may appeal, if and only if, significant new information is disclosed. Whether or not this information is substantive enough to warrant hearing an appeal shall be decided upon by the Board, but they should only rule against the accused in cases when the information has no merit or relevance.
- 6.5.6** The Board will then decide what action is to be taken. This requires a

simple majority of the Board. When a decision has been reached, the Board shall move out of in-camera, at which time the decision shall be written and voted on in a formal motion.

6.6 Suggested Penalties

6.6.1 Directors and Executive (in order of severity):

- a) A written apology to those directly affected.
- b) A written apology to the CSA and those affected to also be sent to the Ontario.
- c) Removal from the Board of Directors (which for an Executive Officer would include impeachment procedures).

6.6.2 CSA Staff:

- a) If a staff member is found to have violated the confidentiality of an in-camera session, appropriate disciplinary action may be taken because they have demonstrably harmed or hindered the activities or interests of the CSA.
- b) All disciplinary action must be in accordance with CSA By-laws and the Human Resources Policy.

7.0 Political Statements

7.1 Proposals to take a public stance on political matters must be referred to the Statement Making Committee for consideration and statement drafting if applicable. Political statements must pass with a 2/3 majority vote of the Board.

7.2 All other statements may be passed by the board with a simple majority.

7.2.1 Statements of any topic may be referred to the Statement Making Committee as proposed and passed by a simple majority vote of the Board.
